Health and Beauty Helps

(By Mrs. Mac Martyn)

Dolly: I use a plain quinson tonic to give my scalp the health that insures hair beauty. This tonic is prepared at home by pouring 1 ounce quinson into a pint of water, then adding 1/2 pint water. Rub a little well into your scalp twice a week for a time and all dandruff, hair falling and excess oil will disappear. I find this quinson tonic cannot be equalled for restoring the silky softness and rich, even color to brittle faded hair, and its regular use will encourage a long, luxuriant growth.

Mrs. O. R. Your surplus weight can be safely reduced with no ill after-effects by this simple treatment, which costs little and can be made at home. Into 1 1/2 pints of hot water put 4 ounces of quinson. Strain when cool and take a tablespoonful before meals. This dissolves fat rapidly without dieting or unusual exercising. The purgative treatment also leaves the flesh firm and the skin free from wrinkles.

Glady: Instead of pore-clogging powder I use a plain sursum lotion, because one application is sufficient for an entire day or evening. This lotion adheres so closely to the skin that it seems part of it, so cannot be detected, and it gives it a very velvety appearance. To prepare, just put 4 ounces sursum into 1/2 pint hot water or witch hazel and add 2 teaspoonfuls glycerine. The use of this lotion banishes pimples, blackheads, blotches and sallowness. It is particularly good for tan, freckles and oiliness of the skin.

Miss B. For a small sun you can make a full quart of the very best blood-purifier and system builder. Dissolve 1 ounce kareline in 1/2 pint alcohol (not whiskey) then add 1/2 cupful sugar and hot water to make a full quart. Take a tablespoonful before meals. This rid-

the skin of pimples, blotches and "mud-diness" and restores to the complexion the glow of youthful health. This kareline tonic is particularly recommended for kidney and bladder troubles and for rheumatic or gouty conditions, because it gently eliminates these poisons from the system and restores the sufferer to complete health.

Mrs. A. I have made my face look years younger by using this wrinkle-removing cream-jelly, which I make at home by putting 4 tablespoonfuls glycerine into 1/2 pint cold water and stirring in 1 ounce almond oil, after which I let stand several hours before using. I apply the cream-jelly thickly on retiring and in the morning wash off with cold water and use more cream as a massage. This treatment rapidly eliminates wrinkles and lines and restores the clear, soft, velvety smoothness to the skin and dispels the oily, "muddy" shiny look.

Bright Eyes: Replying to your second letter, just dissolve 1 ounce erysitol in a pint of clear water and you will have a harmless and very beneficial eye-tonic. Two or three drops in each eye occasionally relieves the smart and soothes the aching, tired muscles. The erysitol eye tonic is excellent for granulated lids and its use frequently overcomes the need for glasses.

Nancy: For a long time I have claimed that the best way to cleanse the hair is to just dissolve a teaspoonful of carbox, which you can get in any drug store, in a cup hot water. This makes ready a shampoo that cleanses and invigorates the scalp and restores health and beauty to dull, straggly hair. You will find carbox shampoos are especially fine for faded or brittle hair, and occasionally shampooing in this manner makes the hair soft, fluffy, and induces a beautiful growth.

FOR NEXT FEW DAYS

Dr. W. J. Harvey, professor of reanatomy and muscular physiology in the Royal College of Science, Toronto, arrived in the city yesterday and registered at the Victoria Hotel. The doctor comes to St. John and the eastern provinces after numerous requests from the profession and those suffering from difficult affections of the eyes and defects of sight, who wished to secure the benefit of his exceptional skill.

The people of this city are indebted to Mr. P. Peck for his enterprise in his ranging for the doctor's hours of consultation at his drug store during the day, who wished to take advantage of the flowers you would like to use. This will be an unprecedented offering of trimmed and untrimmed hats and flowers at such a money saving that almost everybody will want to take advantage of it. The sale will start Friday morning at 9 o'clock in the Millinery Salon, second floor.

How to arouse a sluggish skin

A dull, sallow, lifeless complexion has several causes.

Whatever the cause in your case, your skin needs stimulation.

The following treatment is the most effective you can use.

To refresh your skin

Just before retiring, wash your face and neck with plenty of Woodbury's Facial Soap and hot water. If your skin has been badly neglected, rub a generous lather into the pores very thoroughly with an upward and outward motion, until the skin feels somewhat sensitive. After this, rinse well in warm, then cold water. Then rub your skin five minutes with a lamp of ice and dry thoroughly.

Woodbury's Facial Soap is the work of an authority on the skin and its needs. This treatment with it cleanses the pores, brings the blood to the face and stimulates the fine muscular fibres of the skin. You can feel the difference the first time you use it—a promise of that lovelier complexion which the steady use of Woodbury's always brings.

Woodbury's Facial Soap costs 25c a cake. No one hesitates at the price after their first cake.

Do this today—now! Tear out the illustration of the cake below and put it in your purse as a reminder to get Woodbury's and try this treatment. Tear out the cake now. Take it to your druggist today. Begin tonight to get the benefits of this facial soap. For sale by Canadian druggists from coast to coast, including Newfoundland.
