Rev. J. A. McKeigan Ad-  
dresses Joint Congregation  
—Other Sunday Events

Rev. J. A. McKeigan, formerly minister of St. David's church in Saint John, and now of Moosejaw, was the preacher for the uniting congregations of the German street Baptist and St. Andrew's churches in the Baptist church last evening. The large auditorium was thronged.

Rev. J. S. Bonnell, of St. Andrew's Kirk, who conducted the service, referred to Mr. McKeigan as one whose personality had left an indelible impression on the church life of Saint John, and who was making a splendid contribution to the church life in the West.

Having cited astronomical facts and figures pointing out the immensity of the heavenly bodies, Mr. McKeigan asked his hearers to consider that man was of still greater moment in the realm of creation and only a little less than God, and then he demanded to know what God thought of man who He found him feeling on the husks of life and wasting his tremendous potentialities on trifles.

In his closing exhortation Mr. McKeigan urged his hearers, as they contemplated God and the wonders He had created, to resolve each day to contribute something towards the building of a nobler world.

Mr. McKeigan, who arrived in the city on Saturday to visit relatives, is leaving today on his return to the West.

## Novena Ends In Assumption Church

The patronal festival of the Assumption church, West Saint John, was duly observed in the services yesterday when the novena in honor of the Assumption of the Blessed Virgin was concluded. At the solemn vespers at 7.15 p.m., Rev. F. Hill, C.S.S.R., of Toronto, was the special preacher, and gave the panegyric on the Blessed Virgin, delivering a most eloquent sermon. Rev. J. J. Ryan, parish priest, officiated and was assisted by Rev. H. Ramago as deacon and Rev. Ronald MacGillivray as sub-deacon. The music was greatly inspiring.

yesterday and services were held both morning and evening.

Rev. W. M. Townsend, the minister, conducted the services which were of the nature of a re-dedication of the church to the worship of the Blessed Virgin throughout has been painted and gilded and the ceiling has been painted. New floor covering has been laid in the aisle and on the floor around the pulpit. There were beautiful flowers placed on the pulpit yesterday and the whole appearance of the church was inspirational and pleasing.

In his sermon Rev. Mr. Townsend referred to the congregation's cause for thankfulness in that the full amount of the purchase of the property had been paid. The land had formerly been leased but was purchased a year ago and recently the last payment on the property was completed. St. Columba is now an augmented charge and is looking forward to becoming a self-supporting congregation.

The "Young Peoples' Society" are largely responsible for the redecoration work.

## AT LUDLOW STREET

Rev. Royden Nelson Rand, formerly of New Brunswick, who is now on a vacation visit to relatives in this city, was the special preacher in the Ludlow street Baptist church last night and his very able address made a deep impression on the large congregation that was present.

Mr. Rand has been pastor of the Memorial Baptist church in Albany, N.Y., since the beginning of the year and was formerly pastor of the Baptist church at Hudson, N.Y. He is accompanied by his wife and is visiting her parents, Mr. and Mrs. William Sterritt, West Saint John. Later he will visit at Mr. Rand's former home at Grey's Mills.

For the text of his sermon last night Mr. Rand took the words: "Then I remembered God." He spoke of the things that are remembered, referring in turn to acts of kindness, to familiar places, to home memories, to God and finally to the Word of God.

## CONDUCTED SERVICES

H. Hunter conducted the services in the Church of the Good Shepherd yesterday in the absence of Rev. F. J. Lefroy, who is in Montreal.

## MISS EVACOY FOUND IN WOODS

Missing Gagetown Girl Located by Searchers 6 Miles From Home

GAGETOWN, Aug. 15.—After being lost in the dense woods near here for practically five days, during which time she lived on berries and at night slept under trees, fearing each night she would be dead before morning, having seen a wild cat and a bear during her wanderings, Miss Eva Coy, of Upper Gagetown, the 25-year-old daughter of Mrs. Joseph Coy, who disappeared from her home at 5.30 o'clock Tuesday afternoon, was found at 5 o'clock this afternoon in the woods about six miles from her home.

When found the young lady was in a deplorably weakened state and had apparently not risen from the spot where she lay down to sleep last night. She was overjoyed to meet the searchers and her first request was for a drink of water. Joseph Owens, George Allingham and Will Johnson were the first of a party of 19 searchers to discover her. Miss Coy's cousins, Lee and Alonzo Coy, were in the party.

A stretcher made of coats and saplings and the young lady was borne to the Soldiers' Road. The car belonging to David Duke was commandeered and the girl was driven to the home of her mother. Dr. W. M. Jenkins and Miss Annie Graham, R.N., were summoned and tonight the patient was feeling much recovered. It is expected that she will be as well as ever within a week.

Miss Coy's only explanation of her adventure was that she had gone for a walk in the woods and had lost her way.

## DOOR LOCK BROKEN

Police Constable Lobb was called to Middle street Saturday evening by Mrs. George Thompson, who stated that she had left her home in the morning and on returning at evening found the padlock broken off the door of her home, and who was afraid that there was some person in the house. It was only after the officer searched the premises and found no person there that Mrs. Thompson entered her home and the breaking of the lock is supposed to be the action of boys.

## DISORDERLY BOYS

Police Constable McBride was called to Summer street Saturday evening to disperse a number of boys who had been acting disorderly.

Officials think congestion over

Bulk of Canada's 1925 Crop Has Been Handled

MONTEAL, Aug. 14.—Deliveries of grain amounting to over 872,000 bushels were put through the Montreal Harbor Commission's grain elevators on Thursday, and six lake boats with 464,463 bushels of grain unloaded. The number of lake boats waiting to unload was reduced from 83 to 46. This is the most active movement of grain through the local elevators in some days.

Harbor officials when questioned this morning were of the opinion that the congestion of lake boats in this port would rapidly disappear, and that all grain offering would be handled more expeditiously from now on. The reason being that the greater bulk of the
