FORTY-SIXTH ANNUAL REPORT
OF THE
COMMITTEE OF MANAGEMENT

St. George's Society

OF THE
CITY OF TORONTO
FOR THE YEAR 1880.

The year having elapsed for which the Committee of Management were elected, it becomes their duty to present this their Annual Report and Financial Statement, and it is with much gratification that they are enabled to state that the Society is in a most sound substantial condition.

The number of applicants for assistance has been, through the year, about the same as last year; but this has chiefly arisen from the circumstance of a larger number of Emigrants arriving in the months of June and August, seeking assistance. Generally speaking, work appears to have been more readily obtained by residents in the City.
