Post Office Robbery.
Another St. John Post Office Thief has
been discovered in W. H. Clarke, clerk in
the Office who took the place of Hankin
also convicted of stealing and now serving
out a term of years in the Penitentiary.
It required some skill to discover the cul-
prit, as there are several clerks in the De-
partment, but he fell into the trap. The
fellow had been stealing for some time
letters addressed to women by their hus-
bands, who are working in St. John, and
also other letters as we know to our loss

MANHOOD;
HOW LOST, HOW RESTORED!!
We have recently published a new edition
of THE CITIZEN'S CEREBRAL EXERCISE,
of the radical and permanent cure (without
medication) of Nervous Debility, Mental and Phy-
sical Incapacity, Impediments to Marriage, etc.
resulting from excess.
Price, in a sealed envelope, only 6 cents,
or two postage stamps.
The celebrated author in this admirable Essay
clearly demonstrates, from thirty years' successful
practice, that alarming consequences may be rad-
ically cured, without the dangerous use of inter-
nal medicine, or the application of the knife;
pointing out a mode of cure at once simple, cer-
tain and effectual, by means of which every suf-
ferer, no matter what his condition may be, may
cure himself cheaply, privately and radically.
This Lecture should be in the hands of
every youth and man in the land.
