1896

1895.

You will also notice the collections for 1895 were much below the average, amounting to only \$3,976. This, all will admit, is miserably small for so large a membership, and ought to be doubled, at least.

Your Treasurer acknowledges, with many thanks, the efficient aid of many members of the Committee during the last year, in arranging and settling many difficult matters that required adjustment, in connection with the settlement of the various Trusts involved.

And now that we have got to the bottom of the last "Trust" that can legitimately come on this Fund, let us make more strenuous efforts than ever "to close it out," by largely increasing the collections, keeping down expenses and interest, and bringing everything to bear on a speedy extinguishment of all the liabilities, so that we may turn our attention from dead to living issues, and find something more pleasant, if not more necessary. All of which is respectfully submitted.

JOHN N. LAKE, Treasurer.
