CHATHAM. N. B

The Subscriber is going out of the dry goods business and will sel' at a small advance on cost, all his stock in that line, consisting of DRESS GOODS, PRINTS, COTTONS, FLANNELS, TWEEDS, HOSTERY, SCARFS, UNDERCLOTHING, TRIMMINGS, SMALLWARES, AND FANCY GOODS.

pottage. But they go further, and they use words which would be denounced as treason if coming from our side of th House. They say if this money consider tion is not granted, they will not be ac countable for P. E. Island t king mean to secede from the Union. Does the hou the Finance Minister want any stronger appeal to show, that his tariff does not pear with equal justice ? Can we in th face of these appears from his o in frien say that his tariff bears equally ?

The hon, the Finance Minister told last year, and he tells us again this year that this tarilf is not intended, and do not add increased taxation on the peop of this country. But he has also tolo a

ADDITIONAL TAXATION was found last year to be indepensable and he has told us turther that this further taxation was two millions of dolar And still in the face of this, h tells n that the goods bought by the people of not cost a cent more than b fore. Lasession I brought before the House, in r. marks on the tariff, an English invoic and entries under the two tariffs, an showed that the tariff large y increase the cost of the goods t the consumer. now produce another invoice and custon entry, which shows that the present tant has increased the duty to be paid on th. invoice to the extent of 43 per cen Now this 45 percent. on this small let goods must be paid by the laboring classe of the Province, and yet we are told they the people do not pay additional tax to a Speaking of our complaint about

THE DUTY ON FLOUR AND CORNMEAL. the hon the Finance Minister also told in that the Province of Outario paid moduty on those articles during the last s months, than New Brunswi k and Nov Sectia did on flour and meal, combined. Ut course, we have not the same information on these matters that the Gover men poss sses. Certain r. turns are placed the table. Int we have not the means deciphering them, as they are only for the Dominion, the propertion for each Province not being given. But from th Trade and Navigation returns of fast yea I find that Ontario paid £854 duty o flour, and that New Brunswick and Nova Scotia paid \$6,360, during the some period. These Provinces als paid \$4.8-1 duty on coal, making a total of \$11,211. I have no doubt that the result will be proportionately the same this year. I intain that the hon. Minister, in death ing with the matters contained in the statistics brought down to the House, shou'd use them in a manner which would assist us in the performance of duties connected with the investigation of such topics, instead of quoting them in a way which is misleading, bewildering and blinding. (Hear, hear) ASSISTING THE U. S. AGAINST ENGLISH

TRADE. We are also told that the tariff disc in. arn s around him and endeavored to proinates against the United States and in teet him from the violence of his assailants, favor of England. Two statements were who continued to crush forward. It seem de in this regard, one in reference to e' proball that he would in another the importation of aron and steel, and the usi u e is thrown off the p'atform. The other with reference to the importation growd b low hooting and shouting, caught of cottas. The hoa. Manster to d us ham b the legs on eavoring to drag him that coffie d iron and steel f om the United down. In the st uggle has hat was bat States paid a duty of 24 per cent., whereas the same noninterms from England only paid $17\frac{1}{2}$ per cent. Does he mean to tell is that if the same goods we import fr m by \approx gentlen an who represented a news our reight ors were in porter from Eighard. Taper. At this stage in the proceedings the same duty wond not be pair? Does the police, arm d with with s, advance he mean to tell us that the same tariff through the people and took up a position does not apply to the same class of goods, no mate, from what country imported? The fact is that we are in the habt of A DISORDERED RETREAT.
