The marine and fisheries department. Mr.Sutherland did not appear to know, in street cars or in public buildings. Although he made several attempts to convince the house that he held his ericton, for instance, have a law which any place a crime, and practically the only result of all these laws is the cultivation of a contempt for all law. A law which is not enforced is worse than useless, it is actively harmful. And catch the plague of wordy no-And this law under discussion, by its lack of public endorsement, should, if

> of the dead-letter laws just mentioned. PROHIBITION IN BANGOR. In the inaugural address of Mayor

Beal of Banger appears the following "In our chief of police report, he states that the arrests for drunkenness the past year have been 1236 against 1102 the year previous and in the year 1899, only four years ago, when the regulation of the liquor traffic in Ban-

drunkenness were only 895.

"This is, to my mind, a sad commentary upon the present enforcement. If we could have a law that would regulate the traffic and reduce the number of places where liquor can be had to a minimum, it seems to me that we will have accomplished a great deal for whole for discussion. The

Liberal, says:-"The changes in the G. ried tomorrow. sumed to be \$13,000 a mile on which merchants, druggists and from G. F. road. When we recall Sir Wilfrid Amer. Hard Coal submitted was complete and final, and would not be changed, it may well be asked, What faith is there to be placed on the word of our rulers?"

The junior members of the Brotherhood of St. Andrew, (St. Mark's Branch) were entertained last evening by O. A. Burnham at his home, Waterloo street. A very pleasant evening was spent with games and music.

A. ST. JOHN CREW'S HARDSHIPS. The crew of the St. John bark Mary age from Pensacola to Rio Janeiro have arrived at Southampton and tell a terrible tale of suffering. Their vessel was disabled and waterlogged in a severe gale, after being at the mercy of the seas for nineteen days, all the food was eaten and the crew chewed lead and wood. The steamer Cairnisla fortunately turned up and rescued the suffering men, who were almost living

DANIEL DARES.

St. John's New Representative Taking an Active Part in Parliamentary Work.

On New Brunswick items, Sutherand explained as best he could the \$12,000 vote for Campbellton public buildings; also other New Brunswick votes as covering ordinary repairs to existing buildings. The item for \$20,000 being at all familiar with the situation.

Dr. Daniel offered valuable aid in explaining why this vote was called for, it being a national rather than a local work in connection with the development of the winter trade of Canada with Great Britain. Geo. W. Fowler of Kings also tool obtained, and because their evil effects an active part in the debate on the

harm to the young than tobacco in any other form. But the proposed reform is based on the principle that incites a man to burn down a house for the sake therefor. The militia men wanted a drill shed in a central part of the control part of the co of destroying the vermin which infest city, instead of the old site away down at Barrack Point. Mr. Fowler supwhat we need is less legislation and more enforcement. There are enough laws now on the statute book to put

effected a Complete Cure in the Case of MRS. CAROLINE HUTT, Morrisburg, Ont.

She says: "It affords me great pleasure to speak about what your Heart and Nerve Pills have done for me. About a year ago I was taken ill with heart trouble and got so bad that I was unable to do any work for four or five months. I got so weak and miserable that my friends thought I was going to die. The doctor attended me for some time but I continued to grow worse. At last I decided to try Milburn's Heart and Nerve Pills, and after taking two boxes they made me well and strong again. I cannot praise them too highly to those suffering from nervous weakness and heart troubles." and heart troubles.'
