HAVELOCK, Kings Co., May 11.— The funeral of the late Mrs. E. A. Keith took place from her residence on Monday afternoon and was largely attended. The services were conducted by the Rev. Mr. McNeil of Hampton. The floral offerings were very beautiful. Buides a large assortm cut flowers, there was a pillow from the children of the deceased, an anchor from Captain Fownes, a basket of flowers from Mrs. B. R. Keith of California, and a wreath from the employee of the Elgin and Havelock railway. As the congregation was too large to hear the service at the house, a special service was held in the Baptist church, of which deceased was a most consistent and energetic member. The sermon was preached by the Rev. Mr. McNeil, after prayer by Rev. Mr. Brown.

The remains of Mrs. Benj. Keith, late of Canaan, who died recently in Moncton, were brought here by rail last night and taken to the residence of Mrs. B. N. Hughes. After services at the residence of Mrs. Hughes, which were held this morning, conducted by the Rev. Mr. McNeil of Hampton and the Rev. Mr. Brown of Havelock, The remains were taken to Canaan for

interment. George Alward of Lower Ridge, and Mary Perry of Havelock, were married last evening at the residence of David Adkinson by the Rev. Mr. Brown, who was recently called to the pastorate of Havelock Baptist church.

HAMPTON STATION, Kings Co., May 4.—The clergy of the deanery of Kingston spent Wednesday and Thursday of last week in regular session at the rectory. The bad weather that prevailed on Tuesday and Wednesday morning kept several of the clergy (who had long distances to drive) from attending, so that only seven members were present. The rural dean called the chapter to

order about 11 a. m. on Wednesday, and after prayers were said the xvith chapter of Revelation was read in the Greek, and was discussed. A long time was then spent in working out exhaustively a scheme for the examination of the Sunday school teachers of the deanery. The plan adopted includes a three years' course of study in four subjects, viz.: Bible history, prayer book, church catechism, and church history. The clergy were urged to give regular instruction hroughout the year to their teachers. and the committee have recommended as text books MacLean's Old Testament History; Robinson's Church Catechism Explained, and Cutt's Turning Points in Church History. Examinations will be held in May of each year in each parish (the first to be held in May, 1901), and graded certificates will be presented to all teachers

who satisfy the examiners. The corresponding secretary of the deanery recorted that four parishes had made use of his services during the quarter, and that these interesting accounts of church work had been published in both secular and ecclesiastical papers. He urges a more extended use of this means of letting the people know of the work that is going

on in the country parishes. The committee for encouraging systematic reading among the clergy reported progress. Thirteen of the clergy in the deanery have been provided with a copy of Dr. Latham's book, "Pastor Pastorum," and are now engaged in its study. It was decided that at the next session of the chapter time should be set apart for the discussion of the first three chapters of the book, so that members could thus give point to their reasoning.

Very interesting and suggestive pawere read by the rural dean on the first chapter of "Pastor Pastorum" and by Rev. W. J. Bate on "The Supreme Fatherhood of God." A lengthy iscussion ensued on each paper, the former becoming animated and the latter theologically valuable.

Public services were held in conjunction with the session at the chapel of the Messiah (station) on Wednesday evening, when evensong was said at 7.30 and a sermon was preached by the Rev. Scovil Neales, rector of Sus sex, and on Thursday morning when a celebration of the holy communion was held in the chapel of St. Mary (village) at 8 a. m., the dean being the celebrant.

The next session of the chapter will be held at Springfield on August 8th

and 9th. The concert given under the auspices of Lakeside Division, S. of T., in Smith's hall, last week, was, so far as attendance was concerned, somewhat interfered with by the wet weather and consequent bad roads, but the hall was fairly well filled, and the enthusiasm what might be expected from a Kings county audience came

together for the purpose of expressing their patriotism and practical sym-pathy with those portions of the em-pire now under the blighting influ-ence of war and famine. The ladies, as usual, had tastefully decorated the walls and platform with flags, pic-

walls and platform with nags, pictures and flowers, and being brilliantly lighted, the place presented a cozy and home-like appearance, in striking contrast to the aspect outside. An eight-page booklet programme, printed in colors and tied with a tricolor bow of ribbon, was distributed, and during intermission ice cream and cake were sold, and social intercours ndulged in. The concert opened and closed with God Save the Queen, and so enthusiastic were the people that every number was most vociferously encored. Men in military undress were to be seen here and there through the audience, and the twelve young ladies in red, white and blue, who went through the flag drill, were escorted by men of the Princess Louise Hussars. This feature was very interesting, the marching, counter marching, forming in column, fours, wheeling to right and left, and other manocuvres being very cleverly executed and in exact time. The musical selections, both instrumental and vocal, were mostly of a patriotic character, and with the readings and addresses were evidently much appreci- The hotel was designed and built by The speakers were Rev. It was 11 c'clock before the company dispersed, and even then the final number was reached with reluctance by the majority of those present. CENTREVILLE, Carleton Co., May 14.—Henry Cronkite of Royalton died on the 9th inst., aged 76 years. One year ago he had a severe attack of stomach trouble, from which he rallied, but a fresh attack, some three weeks ago, caused his death. He leaves an aged widow, two sons and two daughters. He was one of the pioneer settlers of Carleton Co. Locating in the wilderness, he became one of the prosperous farmers, making a comfortable home and leaving a good heritage to his son, Isaac, and providing well for the other members who had left home. He was a member of the F. C. Baptist church and was buried in the Tracey Mill cemetery, Rev. Mr. DeWare attending at the house and grave, with associate

ministers. The widow of the late James Lindsay was buried on the 12th inst. in the Centreville Bantist cemetery. She resided in Gregg Settlement for many years, where her family was raised. After the death of her husband she went to reside with her daughter in Blaine, N. S., where she died. Her's was a life of privation and toll. Settling in the wilderness, without roads, ores mills or churches the family had to contend with difficulties unknown to the present generation, but through them all she attained the age of 81 years, witnessing a good confession and dying in the triumph of faith.
