Mr. Hale's Election by an Increased Majority Now an Assured Fact.

WOODSTOCK, N. B., Oct. 27.- The visit of Mr. Foster and his splendid speech in the Opera House have had a grand effect on the campaign in this ounty. It is generally conceded to have been the most enthusiastic meeting ever held in Woodstock, and this the meeting was not given nearly as candidate on behalf of prolibition. widely as it should have been. An American who was present pronounced the speech "as the finest he had listened to," and he has heard many ad-

dresses from Canadian public men. Following on the visit of Mr. Foster the coming of Mr. Hazen to Centreville has also had an inspiring effect. At the meeting in the village on Thursday evening the large hall was filled to its u most capacity. G. W. White presided. The first speaker was Mr. Hale, who is becoming a successful platform debater. Following the member was Senator 'leorge T. Bair of Victoria county, who dealt with the scandals which have prevailed the past few years, notably, the Yukon and Drummond county affairs. J. D. Hazen spoke for two hours. He was in admirable form and secured the closest attention of his audience. Last night a most successful meeting was held in Lakeville. Mr. Carvell's native place. C. A. West pre-

On Wednesday evening Debec was visited and a capital audience gathered in the capacious hall owned by the Foresters. Mr. Hemphill took the chair, and speeches were made by J. C. Hartley, T. C. L. CENTREVILLE, Carleton Co., Oct. 25.—The largest, most enthusiastic and representative political meeting ever known in Centreville was held in Sherwood's hall in the liberal conservative interest on Thursday evening. The hall was literally packed with people from the platform to the entrance. G. W. White, who was called to the chair, opened the meeting with a few

appropriate remarks. F. H. Hale, M. P., addressed the audience for a short time, giving his reason for opposing the present government. He assured the electors that with a renewal of their confidence on the 7th of November he would support Sir Charles Tupper as premier of the dominion. His remarks were eccived with close attention, and when he re-

tired he received an ovation. Hon. Senator Baird was called, and on responding received the hearty plaudits of the assembly. In convincing words he showed the violated promises and broken pledges of Sir Wilfrid Laurier and his government, and asked the electors to support the opposition candidate, a man who was engaged in building up the country and worthy of the confidence given him in

J. Douglas Hazen, M. P. P., was enthusiastically received. For two hours he held the undivided attention of the audience while he showed the superiority as a legislator of Mr. Hale over made it clear that the policy of the present government was against the best 'nterest of the donrinion, emphasized their incapacity to

govern and recited their record of broken pledges. Mr. Hazen made a splendid impression. A vote of thanks was given the speakers as well as hearty cheers for the candidates and cheers for the

MANILA, Wednesday, Oct. 24, via Hong Kong, Oct. 27.-The rebel captain Novicie has been tried by a military committee at Balo, Northern Luzen, clarged with burying alive a seaman named McDonald, of Lieut Gilmore's Yorktown party. Novicie was found guilty and sentenced to death. The commission's sentence is now in the hands of Gen. MacArthur for approval.

Testimony was pronounced at the trial showing that Novicie also caused the death of Veuville, another member of Lieut, Gilmore's party, by delivering him into the hands of the native tribesmen known as Igorrotes, who under the pretext of going fishing, lured Veuville into the wooks and murdered him with two Spanish friends, who wereVeuville's fellow captives. The tribesmen bound Veuville, opened his veins and sucked his blood until 'he was dead. The evidence also showed that Novicle killed a Filipino named Rodridguez, who was suspected of being friendly with the Americans. Gen. Wheaton has approved the com-

mission's sentence.

KINGS COUNTY.

A Splendid Meeting at Berwick on Saturday Evening.

A splendid meeting was held as Berwick, Kings Co., on Saturday evening in the interests of George W. Fowler, the conservative candidate. There were upwards of two hundred people present and almost every man will be a worker on election day.

E. R. Chapman, the first speaker, dealt with the liberal platform of 1893. He received much applause as he showed how plank after plank had broken beneath the weight of the new government. He disussed most effectively the plebiscite swindle and in emphatic language dealt with the is peculiarly gratifying, as notice of right of Col. Domville to pose as a J. B. M. Baxter followed with som illustrations of the manner in which the liberal party had vindicated its pledges for purity of administration. for reciprocity with the United States, and for independence of parliament. The scandals of the Yukon, the Drummond Railway and the emergency food were discussed, and the speaker closed with a brief reference to the loss of the winter port in St. John. Cheers were given for the Queen and the candidate. Lt. Col. Montgomery Campbell presided.

CHEERED MR. FOWLER.

NAUWIGEWAUK, Oct. 27.-The most enthusiastic meeting ever held here took place tonight to greet George W. Fowler, the liberal conservative candidate. The hall was thronged. Neil Bonney was chairman. About one hundred members of the Hampton club were present. They did not travel Ou Laurier buttons, but paid their railway fare.

Mr. Fowler made a splendidly effective speech, his review of the record of the Laurier government being clear and truthful to the smallest detail. His creticism of Col. Do nville's circular was most telling, particularly that portion which related to the gallant colonel's services in the cause of temperance. In burning words he denounced the parties implicated in the emergency food scandal and castigated the government for its want of loyalty in regard to sending the contingents. He closed with an appeal to the electors, young and old, to cast a pure bal-

AT THE CEDARS.

HAMPTON, Oct. 27 .- The Orange hall at the Cedars, Long Reach, Kings Co., was well filled on Friday evening last to hear L. P. D. Tilley and Geo. H. V. Belyea discuss the political issues. James Ganong acted as chairman.

Mr. Belyea compared the government of the country under the liberal conservative regime with that of the liberals. The increased expenditure, the increased public debt, and the ealing of the N. P. by the present administration were fully dealt with. L. P. D. Tilley spoke of the failure of the government to redeem their pledges in regard to the prohibition inactment; discussed the emergency

rations scandal exhibiting a sample of the food, so called. He also dealt with the winter port question. After a vote of thanks to the chairman the meeting terminated with

three cheers for the Queen and Geo. W. Fowler. Much indignation is felt in this district on account of the reduction of

the daily mail contract to a vri-weekly service. D. McArthur, who spoke here or Thursday evening in Col. Domville's interest, was refused the Orange hall for his meeting.

AT STEWARTON.

L. P. D. Tilley addressed a largely attended meeting at Stewarton, Kings Co., on Saturday evening. Alex. Stewart acted as chairman. Tonight L. P. D. Tilley and W. I Fenton will speak at Bloomfield.

TO KILL LOUBET.

LYONS, Oct. 27.-The Elliste De Lyon says a plot to assassinate President Loubet has been discovered. It appears that a working electrician named Couturier entered the electric company's premises at Himes and stole 2,500 francs. He was tracked to Orange, near Lyons, where he was arrested. Documents found on his person revealed, the paper says, an anarchist conspiracy to assassinate President Loubet on his coming visit to Lyons to unveil a monument erected to the memory of Sir Canot. Couturier is said to have committed the burglary in order to obtain funds to carry out his project. He has, it is added, confessed to the police, who are tracking his accomplices and watching anarchists in order to prevent any attempt to carry out the scheme.

U. S. MARINE OFFICER

Accused of Cowardice by the Ameri ean Minister to China.

WASHINGTON, Oct. 27 .- Minister Conger has preferred charges of cowardice against Capt. Newt. T. Hall, U. S. M. C., the second in command of the Marine forces at Pekin during the courage because of the latter's declination to carry out certain military operations suggested by the minister. The charges in the ordinary course passed into the hands of Gen. Chaffee, the commander in chief of the forces in China, who examined them, made an inquiry on his own account and then concluding that the whole matter rested on the differences of judgment between the minister and the captain, sent the papers to Washington with a recommendation that no further proceedings be had, as the finding vindicated the captain. From the war department 'he papers went to the navy department and after some consideration it was determined that the high morale of the marine corps required the most formal and complete acquittal of an accused officer from such charge, in order that he might not in after years suffer from its repetition.

OTTAWA, Oct. 22.-The agent at Liverpool of the department of agriculture, at Ottawa, writes to the department as follows: "One of the largest London retail concerns was heavily fined for selling American (Chicago) ham as "Canadian." In one of the private schools here in town there is a small boy who is always cheerfully miles behind everybody else. He is not a dull boy, but learning does not appeal to him as being a thing specially to be desired. COL DOMVILLE

Has a Reckoning to Make With The Farmers of Kings

When Col. Domvile was campaigning in Kings County in 1896 he assured the farmers that what they wanted was liberal rule and a better market for their products in the United States. The colonel denounced the wicked tories in all the moods and tenses for their Canada and of Kings County in par- | year in advance ticular, the great and profitable market over the border. He assured them would secure this boon to the farmers. One of these farmers, William Hazlett, jr., of Whitehead, Kings Co., strolled into the Star office this morning. He had a book in his pocket. It showed in detail, as passed through the customs, the quantity of berries Mr.

Hazlett had shipped to the American market in the last two years. But something they did not expect was the thing that happened. Under liberal rule they are not permitted to ship berries free of duty to the United States. Instead of opening wide the great American market at the request of the great grit party of Canada, the government of the United States actually imposed a duty of a
