Body Not Found Yet. Another unsuccessful attempt was made yesterday to recover the body of the boy Warren Brodus, who was drowned near Beattys' Rocks last Sunday afternoon. It is now thought that perhaps the body has been carried away by the current, although many believe that the body is in one of the holes caused by the dredging.

Wedded Last Night. A quiet wedding was celebrated last evening at the home of the bride's mother, when Miss Lena M. Paterson was united in marriage to Herbert Jones, in the presence of relatives and immediate friends. The bride was attended by Miss Edith Cumming, and the groom by Frederick Hunter. Many beautiful presents, among which was a substantial check from the groom, attested to the popularity of the bride. Rev. Mr. Brewer officiated.

Fine Outlook On North Shore. Richard O'Leary arrived in the city yesterday and is registered at the Royal. Of the Conservative prospects along the North Shore, Mr. O'Leary speaks very optimistically. The campaign which the Conservatives are waging is one of the most vigorous ever witnessed in the North Shore, and there is every indication of a notable victory for the candidates of the party. In Northumberland county, the candidate, Mr. Morrison, is solid for an overwhelming majority at the polls. In Kent, F. Robidoux is each day winning new adherents and he and W. S. Montgomery, the candidate in Restigouche are assured of election on the 21st.

REV. J. J. McCASKILL ASKED TO RESIGN BY HIS CHURCH

Trustee Board and Session of St. Matthews are Not in Sympathy with Clergyman's Political Activities -- Presbytery will Probably Deal with the Case.

As one of the results of his activity in the present political campaign, Rev. J. J. McCaskill has been asked by the congregation of St. Matthews' Presbyterian church to tender his resignation from the pastorate of that church. The letter containing this request was handed to Mr. McCaskill at the close of the service on Sunday evening last. His reply to it will probably be sent direct to the Presbytery of St. John, as that body alone has power to deal with matters of this sort.

As the request was for an immediate resignation, it is believed by some of the officials of the church that the Presbytery will meet in the very near future to consider the question. The letter to Mr. McCaskill was signed by members of the trustee board and the session. Those whose signatures were attached were: J. Fraser Gregory, chairman of the trustees; John Thornton, treasurer; Harry McCain, Charles Stevens, John T. Howe and S. E. Logan of the trustee board; G. F. Blouet, Harry Keln, Thomas Hastings and G. T. Corbett representing the session.

The document which was very brief, set forth that because of the pastor's activity politically, which was distasteful to many, it was felt that he was neglecting his congregation, and that as a result of his conduct his usefulness in the church was at an end. The letter closed with a request for an immediate resignation.

GREAT DEMONSTRATION AFTER BORDEN MEETING

Enthusiastic Men Took Horses from Mr. Borden's Carriage and Hauled Him in Triumph to Royal Hotel.

The splendid welcome given to R. L. Borden on Tuesday evening and the great enthusiasm manifested was the talk of the city yesterday. While the man who will be the next premier of Canada was given a fine reception at the great meeting in the Queens rink, it was not until after the meeting that the most remarkable scenes were witnessed.

The horses were taken from Mr. Borden's carriage and he was hauled to the Royal Hotel by an enthusiastic crowd of voters. And the most significant part of it was that the volunteers who took the place of the horses were not organized. They were actuated entirely by their spontaneous enthusiasm for the man and his message. Arrived at the Royal Hotel Mr. Borden was taken from the team and carried into the hotel where he was heartily cheered. IT WAS A FITTING AND LOYAL TRIBUTE FOR THE MAN WHO WITH HIS FOLLOWERS WILL ROUT THE LAURIER ANNEXTION CREW AT THE BATTLE OF THE POLLS ON SEPTEMBER 21st.

After depositing Mr. Borden at the Royal, the crowd hauled the carriage with Dr. Daniel in it to his home on Princess street where there was a riot of cheering and insistent demands for a speech. In reply to the enthusiastic demand of the crowd Dr. Daniel spoke briefly predicting a victory on Sept. 21st and thanking his friends for the reception given to him. Mr. Powell also spoke briefly saying that while he had seen demonstrations in the larger Canadian cities and in cities of the United States, he had never seen a better or more significant indication of approval of the cause of British connection.

From the happenings of Tuesday night it is evident that the loyal electors of St. John are aroused as they have never been before and that it will take more than election promises and election boogie which the Grits have in abundance, to stem the tide of resentment at the annexation policy which has been endorsed by Mr. Engley and his associate James Lowell.

The defeat of Mr. Lowell who has been generally recognized as a political accident is already conceded by the rank and file of the Liberal party while it is being borne in upon them every day that Mr. Pugsley will also go into political oblivion as the result of this contest.

IT'S TIME FOR A CHANGE, BUT NOT IN CANADA'S FISCAL POLICY

Unruly Gathering. The middle of the street at the corner of Union and Coburg streets has been taken up many evenings of late by persons giving addresses, and this is the cause of a large crowd congregating. On Tuesday night there was a crowd on the corner and some person threw a stone which struck one of those present on the face and caused a severe injury. A few nights ago there was a heated argument at the close of one of the meetings and the police were compelled to disperse the crowd and thus probably saved any trouble. Last night there was a speaker on the corner who was religiously inclined. He sang hymns, read from the Bible and preached, but his audience was small and the service lasted but a short time.

G. S. Mayes has returned from a business trip to the west.

Concert Postponed. The concert to have been held this evening by Granite Rock Division, Sons of Temperance, has been postponed until the first week of October.

The Island Campaign. Hon. J. D. Hazen will leave this morning for Summerside, P. E. Island, to join R. L. Borden and take part in a meeting to be addressed by the leader of the Opposition this evening. On Friday Mr. Borden and Mr. Hazen will speak at Charlottetown.

Is Your Child "Backward" At School?

Possibly the whole trouble lies in defective eyes—the brain may be waiting and willing, but the eyes cannot supply the needed information. Thousands of "backward" pupils have been able to "go ahead" when their eyes were corrected by proper glasses. Or your child may be making progress, but under an eye strain that will soon tell on its nervous system. Better bring the child to us and have his eyes examined early some morning that you may know there is nothing wrong with his eyes—or have what is wrong made right.
