PROVINCIAL FORESTER GOING TO WASHINGTON

Mr. Caverhill Will Address Canadian Commission of Conservation at Ottawa.

Will Then Go to the United States to Acquire Further Information Re Forestry.

The provincial members of the Commission of Conservation left on Saturday evening for Ottawa, where they will attend the annual meeting of the commission which opens in the capital today. The party included Dr. C. C. Jones, W. B. Snowball and Provincial Forester Caverhill.

Mr. Caverhill is in complete charge of the New Brunswick government's scheme for the re-classification of the crown lands of the province. A careful stock-taking, together with a thorough and scientific investigation of re-production and rate of growth will be made in order to determine the means necessary for the perpetuation of the forest and of the revenue resulting from its exploitation.

The Standard was informed yesterday that after attending the sessions at Ottawa Mr. Caverhill would proceed to Washington where he will attend the sessions of the American Forestry Association in that city. He will return to his headquarters at Fredericton about the middle of next week. Mr. Caverhill will address the Canadian commission on the New Brunswick scheme, while he goes to Washington for the purpose of acquiring any new ideas that may be brought out at the convention there.

CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

Look, Mother! If tongue is coated give "California Syrup of Figs"

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleanser" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

CIVIC ESTIMATES REACH TOTAL OF \$833,798.49; COUNTY TO COME

Increase Over Last Year of \$237,700—Recommendations of Committee Adopted As Presented—Commissioner Fisher Announces Suspension of Street Superintendent Winchester—Returned Soldier to Get Position.

The common council met in special session on Saturday morning and passed the estimates of the several departments and made up the city assessment for 1917. Commissioner Fisher announced the suspension of Street Superintendent Winchester because of "inefficiency" and said this action would be followed by dismissal. A bonus of \$200 covering the years 1915 and 1916 was voted Harbor Master Alward. The increase in the city assessment exclusive of the county estimates which are not made up yet is \$237,700, made up as follows:

Police	8,000
Fire	1,700
Hydrants and sewers	27,000
Public works	21,000
Ferry	16,000
Schools	30,000
Treasury Department	40,000
Patriotic Fund	114,000
Total	\$237,700

The total of the assessment as passed is \$833,798.49 as against \$596,047.13 for last year.

Miss Westmore, cinematographer at city hall, received an increase of \$100 and the chamberlain and comptroller each received an increase of \$100. The other estimates were adopted as already passed by the committee of the whole, the mayor and Commissioner Fisher objecting to some of the salary increases.

The mayor objected to the item for hydrants and sewers and claimed that this should come out of water maintenance. He suggested that the city return the amount taken from water maintenance for general revenue last year, and ask the water department to replace the hydrants and maintain the sewers out of water surplus, but was not supported in his stand by any of the other commissioners.

The mayor presided and all the commissioners were present. The committee of the whole presented their report as follows and recommended that there be raised, levied and assessed in and upon the City of St. John and the inhabitants thereof in the present year the several sums of money for the several public services and purposes hereinafter mentioned and particularly and respectively specified, that is to say:

At three o'clock yesterday afternoon the funeral of Hazen Frazee Wetmore took place from his father's residence, 7 Ritchey street. The services were conducted by Rev. Mr. Millidge, and interment was in Fernhill.

The remains of Mary Geraldine Dolan were laid to rest yesterday in the Roman Catholic cemetery, Golden Grove. The funeral took place at 2:30 o'clock in the afternoon, from the residence of her father, 203 Waterloo street, and were conveyed to the Cathedral for high mass of requiem by Rev. Wm. Duke.

The funeral of Matilda Torry took place from 65 Chesley street yesterday afternoon at 2:30 o'clock. The services were conducted by Rev. J. A. MacKeigan, and interment was in Fernhill cemetery.

JOHN CONNOR HERE ON A VISIT LAST WEEK.

Many local friends extended a hearty welcome to John Connor, of Boston, who was in the city last week on his annual vacation. Mr. Connor is one of the sons of New Brunswick who has achieved much success in the United States, he having extensive business interests in Boston, as well as many of the commercial centres of Wisconsin.

Mr. Connor's business also extends to Ontario and other sections of the Dominion.

Mr. Connor still evinces a lively interest in New Brunswick affairs. While here he was an active figure in the political arena and at one time was the Conservative candidate for St. John County. A great lover of politics for the sake of the game itself, he has

Children Had Eczema Doctors Failed to Cure

Two Letters Which Prove the Efficiency of Dr. Chase's Ointment as a Cure for Eczema.

Fortunate are the mothers who know the virtues of Dr. Chase's Ointment, for there is no treatment so suitable for use after the bath to relieve irritation and chafing and to thereby prevent eczema and similar skin diseases.

Mrs. W. L. Barnes, Toronto, Ont., writes:—"I want to tell you about the case of my little boy, who had baby eczema when he was three months old. It started on the top of his head, on his forehead and around his ears. The doctors failed to do him any good, so I tried Dr. Chase's Ointment on the recommendation of a friend, and in a month's time the child was entirely free of this disagreeable skin disease. He is now four years old, and has never had any further trouble from ailments of this kind. I also have great faith in Dr. Chase's Nerve Food, and believe that it cannot be beaten as a restorative for pale, nervous women."

Mrs. George McNair, River Charles, N. B., writes:—"We use Dr. Chase's Ointment in our home, and would not fail for anything better for cuts, burns and bruises. A few years ago a friend of mine, whose baby was terribly afflicted with eczema had her child treated by their own family physician but the little one got no better. They tried several remedies, but they all proved useless in this case. Upon the advice of a neighbor they got Dr. Chase's Ointment, and before the first box was used the child was completely cured. I can also recommend Dr. Chase's Nerve Food to suffering friends who I know will be glad to learn of something to relieve their nervous trouble. You have my permission to use this letter for the benefit of others."

ADVOCATES SUBMARINE CAMPAIGN

Berliner Kreuze Leitung Urges Ruthless Warfare As Answer to Entente Peace Demands.

The Hague, via London, Jan. 14.—The Berliner Kreuze Zeitung editorially urges the immediate opening of a ruthless submarine campaign by Germany as a reply to the Entente peace demands. It says that owing to German hesitancy in the use of Zeppelins against England the British have had sufficient time to find a means to foil Zeppelin attacks. It draws the parallel that unless submarine warfare is undertaken without delay the British will likewise find some new shield against the U-boats.

Margaret, Jessie F. and Florence M. of this city, and one brother, W. A. McLean, Spinner Hill, Sask.; also one son, Alexander D., of Gunningdale, and two sisters.

Notice of funeral will be given later.

COMPLIMENTARY DINNER TO H. W. WOODS, M. L. A.

About fifteen friends of H. W. Woods, M. L. A., the popular and energetic representative of Queens County in the Legislative Assembly, gathered at the new private dining room in the Royal Hotel on Friday evening when Mr. Woods was the guest of honor at a complimentary dinner.

Mr. Rowan occupied the chair. The affair was non-political and many pleasant compliments regarding Mr. Woods were paid by the speakers. An excellent repast was enjoyed. The dinner marked the opening of the Royal's new private dining room. The room is handsomely finished and has accommodation for about thirty guests.
