Bringing Up Father.

TWO MEN WHO FIRST PART

They Are Judge
and Sir James
Resided For T
liament With M
and Other Fat

Of the legislators who w
bers of Canada's first Hou
mons in 1867, two only are b
bo living. They are Judge
ary of Annapolis Royal, N.
resident of St. John, and
Grant, M. D., the eminent ph
Ottawa. Both grand old me
each other in the year 1831
most 87 years of age. Jud
was asked by the Standard
ago if he knew of any othe
ing who were members of
in 1867. He replied that so
could ascertain Sir James
he are the only survivors.

Sir John Macdonald once
Judge Savary as "an able an
me." The distinguished No
is no stranger to readers of
dard, for occasionally he h
for its columns. He is as v
probably and possibly bette
affairs and public men of C
the time of Confederation,
in the Dominion, particularly
the history of the Maritime
during the past half-centur

Native of Plympton

Judge Savary was born at
Digby County, N. S., Oct. 10
son of Sabine S. and Olive
Savary. His mother was
ter of a Loyalist from New
became a member of the N
legislature in 1812. The su
sketch was educated unde
tion, at Windsor Collegiate
at the University of King's
was graduated from the la
tion in 1854 with honors

TO MY READER:
Whether or not you la
vigor, here is a
which will surely interest
through which you may e
from now on to the end
healthy, advanced age. I
piled a little treatise for
(book form), which I am
read absolutely free by
perfectly plain, sealed e
any man anywhere who
it. Over a million copies
ready been thus distribut
who wrote for them fro
the world. There is no
whatsoever involved in
nothing which you are
pay for in any way, either
the future. It is just sim
and-out free proposal. In
book of 72 pages, 8,000
30 half-tone photo repro
have endeavored to give
forward talk to men,
elderly, single and marri
cise compendium for sel
a perfectly plain discov
those important, person
relating to vital streng
the preservation of viril
sible self-restoration, its
uses and its wanton abu
man should be in posses
book. One part describ
druggish mechanical vita
