

TEMESI BANDITS MURDERED THE U. S. SAILORS

Pursuit of the Outlaws Ordered and Several of Them Have Been Killed.

Mexico City, July 23.—(By the Associated Press.)—Official accounts of the robbery of American sailors from the U. S. S. Cheyenne on July 6th, and of the death of Americans were given out today, by General Juan Barragan, chief of the presidential staff, in the form of governmental dispatches. One of these stated that the sailors were on the river Temesi into rebel territory. General Ricardo Gonzales, chief of the Tampico garrison, in a dispatch reporting on the murder of John W. Carroll, near Tampico, on June 18, stated the murder was committed by Temesi bandits, and that he had ordered a pursuit of the outlaws, and that four of the bandits had been killed, and twenty horses recovered in a fight at the bandit headquarters. Other official dispatches on deaths of Americans placed the responsibility for the incidents in some cases upon the men killed. General Barragan also announced that there would be made public various documents belonging to the archives of the bandit Villa, recovered in Juarez, and including a letter addressed to Villa by Charles F. Hunt, offering Villa a visit by Senator Fall and other persons in an effort to rid Villa's campaign.

PULP AND PAPER CO. DESTINED TO BOOM

Enterprise, Backed by American Capitalists, Promises to be One of the Biggest Industries in the Country.

Sydney, N. S., July 23.—Great activity prevails at St. Annes, C. B., the scene of operations of the Cape Breton Pulp and Paper Company, which is made up of wealthy New York and other American capitalists, and is destined to become one of the biggest industries in the country. It is expected that not only pulp but paper will be manufactured at an early date. At present there are about three hundred men steadily employed, and the company is looking for more men, there being plenty of work to keep six hundred men daily employed during the summer months at least. Last week several of the leading directors of the company came to North Sydney in their private car and paid an official visit to their limits of timber areas in Victoria County. The pulp mill is said to be one of the finest in the country and it is the intention of the promoters to erect a finishing mill for the product of all kinds of paper. The absence of a railway no doubt militates against the company. However, shipments can be easily made by steamer, and already several cargoes have gone forward to the United States.

COLOGNE FLOODED WITH GOODS OF FOREIGN FIRMS

The Lifting of the Blockade on Germany Finds Plenty of Imports Pouring in.

Berlin, July 23.—(By the Associated Press.)—The first results of the lifting of the blockade, says the Deutsche Allgemeine Zeitung, is the flooding of Cologne with foreign goods. "French firms," the newspaper adds, "are offering hundreds of thousands of kilograms of cocoa powder, chocolate, coffee, oil-fat, pork-fat, macaroni and toilet soap. German import companies have been offered large quantities of cornstarch and cocoa, hundreds of carloads of white pearl beans and Chinese yellow peas, and raw coffee and chocolate in huge quantities. "The American offers include bacon, olive oil, rubber coats, steam turbines, automobile machinery, various oils and vasoline. "An Anglo-Japanese firm offers the direct importation of borax, paraffine, resin, flax oil, shellac and soap."

NORTH SYDNEY PLANNING COLD STORAGE PLANT

Hope to Interest American Capital and Operate a Fleet of Fishing Vessels Out of That Port.

Sydney, N. S., July 23.—A movement is on foot to erect a cold storage plant at North Sydney and operate a fleet of fishing vessels out of that port, which is one of the finest on the Atlantic seaboard for the carrying on successfully of such a business. George Hackett and M. J. McPherson expect to leave tomorrow night for Boston in connection with such an industry, and it is likely they will succeed in inducing American capital to take up the matter with them.

ELECTIONS OCCUR IN P. E. I. TODAY

After a Short But Sharp Campaign Both Parties Are Facing Polling-Day With Confidence.

Charlottetown, P. E. I., July 23.—After a short but sharp campaign both parties are facing polling day tomorrow with confidence. When the House was dissolved there were 18 Conservatives, 11 Liberals and one seat vacant. The government gained one seat at a by-election since the general election of 1915. There are two independent run in this contest who are not opposed by Liberals, making four candidates running in each of the fifteen districts. The soldiers vote is an uncertain element in this election. Men who went overseas have the right to vote for two candidates in each riding, men who served in Canada only one vote, the only qualification being the khaki uniform.

Army and Navy Veterans Holding 2nd Convention

At Yesterday's Session it Was Decided to Abolish All Titles, the Word Comrade to be Applied to All.

Montreal, July 23.—The second annual convention of the Army and Navy Veterans Association in Canada opened here at the Windsor Hotel. Fifty delegates, representing units from Atlantic to Pacific, took part in the proceedings. At the morning session it was decided to abolish all titles, the word "comrade" to be applied to all members regardless of rank. A fine of twenty-five cents was provided for infractions of this rule and to this "kitty" even the President was a victim. Colonel McDuff, president of the Montreal unit, delivered an address of welcome to the delegates. In the afternoon session Dominion president Tupper, of Winnipeg, outlined the growth of the work and aims of the Association, touched upon the high cost of living, pensions, penitence and other topics as affecting the demobilized soldier.

IN INTERESTS OF THE BLIND

C. W. Holmes Here Yesterday in Interests of Canadian National Institute for the Blind - Branches of Work Among Blind Being Established.

C. W. Holmes, of Toronto, was a visitor in the city yesterday, leaving for Halifax last night. Mr. Holmes was in St. John in the interests of the Canadian National Institute for the Blind. Branches of the work among the blind are being established all over the Dominion with the idea of teaching those who are deprived of their sight some means of earning a living and giving them an interest in life. Opportunities will be provided for the sale of their work, and it is hoped that in time every blinded person will be able to support himself and his family. The Province of Ontario is thoroughly organized, as are also some of the other provinces. Work in New Brunswick will be carried on in connection with the institution at Halifax, which has been so successful in its undertakings under the direction of Sir John Fraser.

WEDDINGS.

Tapley-Stevens. Yesterday morning, at eight o'clock in Central Baptist Church, Miss Rowena Edythe Stevens was united in marriage to William Guy Tapley, both of this city, in the presence of immediate friends and relatives. The ceremony was performed by Rev. D. J. MacPherson, pastor of the church. The bride was given away by her brother, Fred. M. The church was tastefully decorated with daisies and ferns. The wedding march was played by Miss Gerald Blaine, who is the bridegroom's choir in his rendering of "O! Perfect Love." The bride, who is a daughter of Mrs. E. Stevens, 40 Sydney street, was accompanied by her bridesmaids, including a silver service from the wholesale staff of Messrs. Robertson, Allison, of whom Mrs. Tapley left for a cruise on the St. John river, after which they will reside at 159 Queen street.

Creighton-McIntyre. The wedding of Miss Evelyn Mullin, daughter of Mrs. M. A. Mullin, 69 Harrison street, and George Creighton took place at 5.30 yesterday morning at St. Peter's. The sacred rite was administered by Rev. James Cloran, C. S. R., with nuptial mass. Mrs. L. C. Quinn, sister of the bride, and P. Fitzpatrick, brother of the groom, followed the ceremony the bride's mother, where the breakfast was served. A beautiful assortment of presents was received by the bride. The groom is the well known manager of the Semi-weekly Warehouse Clothing and Furnishings. King street. The happy couple left later for Upper Canada, where the honeymoon will be spent. On their return they will reside at 35 Harrison street.

Norris-Sutton. On Monday, July 21st, a quiet ceremony before a few near relatives united in marriage Jennie May Sutton, 27½ Rufus Frederick Norris, at Loch Lomond, N. B.; Rev. W. H. Johnson of Hampton, officiated. Both parties have a wide circle of acquaintances in St. John. The bridegroom is in Hibernia, the bridegroom's sister, Miss Sutton, was attended in white and wore a bouquet of beautiful roses in absence of her father she was given away by Albert Norris, father of the groom. Miss Helena Norris acted as bridesmaid. The bridegroom was attended by her brother, Harry Norris. He has only recently returned from the front and since suffers slightly from the severe wounds and gas-poisoning received in the service of his country. His many friends will wish him happiness in his new relationship. The happy couple intend to reside at Loch Lomond.

TRY MAGNESIA FOR STOMACH TROUBLE

It Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour, Gassy Stomach and Acid Indigestion.

Doubtless if you are a sufferer from indigestion, you have already tried pepsin, bismuth, soda, charcoal, drugs and various digestive aids and you know these things will not cure your trouble—in some cases do not even give relief. But before giving up hope and deciding you are a chronic dyspeptic just try the effect of a little bisulphated magnesia—not the ordinary commercial carbonate, citrate, oxide or milk; but the pure bisulphated magnesia which you can obtain from practically any drug-store in either powdered or tablet form. Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach which now causes your food to ferment and sour, making gas, flatulence, heartburn and the bloated or heavy lumpy feeling that seems to follow most everything you eat.

You will find that provided you take a little bisulphated magnesia immediately after a meal, you can eat almost anything and enjoy it without any danger of pain or discomfort to follow, and, moreover, the continued use of the bisulphated magnesia cannot injure the stomach in any way so long as there are symptoms of acid indigestion.

Candidates' Vote Standing To Appear First Time in Saturday's Standard

Candidates Who Have Failed to Send in Any Votes Thus Far Should Send Them in at Once in Order to Make a Good Showing for the First Count - See What the Others in Your District Are Doing and if You Are Not Up to Them in the First Count, Make a Special Effort for the Next Count.

No Better Compensation For Effort Ever Offered—Grasp This Opportunity.

The first vote standing of candidates will be announced on Saturday, July 26th, the first count will be made on Friday, and the result of that counting published the following day. This will mark the real start of the race to win the \$10,000.00 worth of Automobiles, Planos, Phonographs and Cash Prizes to be awarded to candidates at the close of the contest September 1st.

Some candidates have already made the start, and sent in votes clipped from The Standard as well as subscriptions which should be sent in if not already started, it will be well for you to show your friends that you are after the prizes by getting in some votes at once. Thousands of people are waiting to see how the candidates stand on the start, they are waiting to see if those who have entered their names are trying to help themselves or do they expect their friends to get in and win a prize for them. From the first vote announcement of the final close of the contest everybody will be watching each revised vote standing to see where their favorite stands. Naturally they will be anxious to see you in the lead, or well up in the list of candidates, as each new vote standing is published. Do not disappoint them by not having a gain in your votes each count. The fact that some candidates will not have any votes against their names on the first vote standing, is not a reflection on their ability, but a fact that they are not active, and that they are not trying to get in some votes against their names. They have not turned in, some have a lot of promises that they have not realized on as yet, and some few have not really got started to collect the votes. This is explained in order that the friends of the candidates may not be discouraged at not seeing a vote gain in their votes each count. When the first vote standing is published, do not judge too harshly at the first count but wait and see what the candidates are really doing. The contest gets little other, remember that the contest is only really getting under way and that some of the candidates have not had time to collect as many votes as they would like to do well to consider what a grand opportunity for all candidates to separate in the winning of the prizes, in a way it will set the pace, it will establish a mark for all candidates to start with. The good things that are being well to try and equate on the next revised publication which will be about the middle of next week. When the first vote standing is published, your chance to show the public that you are in the race, and that you can get as many votes as any other candidate in your district. You entered.

BUILDING TRADES COUNCIL MEETING

With a full meeting and the charter duly received, the Building Trades Council got down to real brass tacks last night, the first big business meeting being marked with keen interest and active participation by all the delegates present.

Mr. Schurrh, president-elect, was installed in his office, and officiated at the installation of the other members of the executive: Vice-president, H. Day; secretary, A. P. Sainder, and Treasurer, George A. MacNeil. Considerable inside business was transacted, and the general spirit of the meeting was most optimistic.

FEATURES APPROVED BY THE COMMISSION

At Session Yesterday the By-Laws Were Passed Upon as Proposed by the Police Union.

The commission operating under recommendation of the Conciliation Board which decided the dispute between the city and the Police-men's Protective Association, completed in the Mayor's office yesterday morning, its investigation of the by-laws of the policemen's association, and a report was prepared for presentation to the council. With the exception of a minority report on working rules of the association, the by-laws were passed upon as proposed by the union. Features approved of include a majority vote for the election of the Commissioner of Safety; reported to be in sympathy with the 8-hour movement, but in view of the fact that it would entail extra men for which no provision has been made in the estimates of the safety department, he opposed operation this year. A clause in the by-laws which prohibits sympathetic strikes, and so eliminates a possibility which was strongly advocated in the recent dispute as a reason why the association should not be permitted to affiliate with the Trades and Labor Congress of Canada. Another safeguard is a clause providing for the hearing of objections to the association by a board of conciliation in case of grievances presented by the union cannot be adjusted, first by the Commissioner of Safety and the Chief of Police, and secondly, by the Common Council.

To Have Perfect Skin Throughout the Summer

This is the season when she who would have a lily-white complexion, should turn her thoughts to mercerized wax, the firm friend of the summer girl. Nothing so effectively overcomes the softening effects of sun, wind, dust and dirt. The wax literally absorbs the scorched, discolored, withered or coarsened scarf skin, bringing forth a brand new skin, clear, soft and gloriously beautiful. It also unclogs the pores, removing blackheads and increasing the skin's breathing capacity. An ounce of mercerized wax, obtainable at any drug store, applied nightly like cold cream, and washed off mornings, will gradually improve even the worst complexion. There is nothing better for the removal of tan, freckles or blotches.
