

Tablet Unveiled At The Hospital

Erected by Commissioners of
General Public Hospital
and Members of Medical
Society in Memory of Major
J. L. Duval, M. D.

As a perpetual reminder of one who, without hesitation, answered the call of duty and gave his life in performing that duty, a brass tablet was unveiled yesterday afternoon at the General Public Hospital in memory of Major J. L. Duval, M.D., C. E. F. The tablet was erected by Commissioners of the General Public Hospital and members of the St. John Medical Society. It is of brass mounted on oak about two and a half feet long and two inches high. The four corners of the tablet are rounded and the top is the insignia of the Army Medical Corps. It is placed in the room on the left as one enters the hospital. The inscription is as follows:

In memory of Major J. L. Duval, M. D., C. E. F.
Officer Commanding No. 1 Field Ambulance.

A member of the staff of this hospital, volunteered for active service on the declaration of the war against Germany in August, 1914.

Left with the First Division of Canadian troops for overseas.

Severely wounded at St. Jean, France.

Died in London, August 26th, 1915. His body was lost on the S.S. Hispania.

Sunk by a German submarine. His tomb is the Atlantic Ocean.

His memory an everlasting incentive to heroism and patriotic devotion to duty.

The unveiling took place in the presence of the hospital commissioners, representatives of the militia were: Brig. Macdonell, C. M. G., D. S. O., C. D., C. M. D. No. 7, accompanied by General Staff Officer, Lieut.-Col. Sparling, D. S. O. The following were also present: Dr. Thomas Walker, chairman of the Board of Commissioners; Colonel Murray MacLaren, C. M. G.; Senator J. W. Dandiel, Mayor Hayes, Commissioner Bullock, Lieut.-Colonel G. G. Corbett, Rev. J. A. Morrison, D. D., Dr. Haddon, Dr. W. W. White, Dr. Stanley Bridges, Dr. G. B. Peat, Dr. H. L. Abramson, Dr. L. de V. Chipman, Dr. G. R. L. Crawford, Dr. Dunlop, M. E. Asar, Dr. A. E. Locke, Mrs. Thomas Walker, Mrs. G. G. Corbett, Mrs. E. Atherton Smith, president of the Women's Hospital Aid; Mrs. J. Verne McLellan, Mrs. J. H. Dood, Miss Addy, Miss E. J. Mitchell and others of the hospital staff.

Dr. Thomas Walker spoke of the occasion on which all were gathered together and read a short account of the career of Major Duval, emphasizing his prompt response to the call of duty. Dr. Walker said Dr. Duval was esteemed by all who knew him.

Dr. A. E. Locke said he had the privilege of knowing Major Duval for twenty years, and he was always the same, bright and light-hearted. Those who knew him slightly said he would never grow old, and those who knew him well said he would never grow old. The tablet to his memory would always be approached with a feeling of awe and reverence by all at the hospital.

Mayor Hayes referred to the fact that Dr. Duval did not fall when called upon and it was very fitting that honor should be paid to him. In honoring him others who were not privileged to return to receive thanks, were also remembered. The sacrifice of the soldier boys was deeply appreciated and was an example to all not to fail at the call of duty.

Warden Bullock spoke along the same lines, stating that he knew the great loss sustained by all friends of Major Duval, and of many others, but that their heroic deeds were not forgotten for their works follow them. Brig. General Macdonell testified to the courage and bravery of Major Duval, calling him a "gallant soldier and gentleman," and describing his career. Born at Grande Ligne, educated at McGill, and practiced at St. John, Quebec. In 1908 he moved to St. John where he joined the 8th

Stomach Disorder

Only Six Months To Live.
Read What B. B. B. Did For Him.

Mr. Hans Kehki, Magnolia, Alta., writes: "Some years ago I became very sick from stomach disorder, which the doctor told me had started from drinking bad water. I tried local doctors, but, finding I got worse from day to day I went to a doctor in Edmonton. He told me that I must have an operation, and that if I didn't I couldn't live any longer than six months. I told him I had better die after six months than be cut to pieces. I did not have the operation, but returned home. No one was there to meet me at the station, because they did not know I was coming. I felt so bad I couldn't walk farther than 10 yards without resting. It took me 6 hours to walk 2 miles; the distance from the station to my home.

Some weeks later I read an advertisement about your Burdock Blood Bitters. After I had used one bottle I felt much better, and after I had used three bottles I was completely cured; therefore you see your B. B. B. has saved my life, and I cannot praise it too highly."

Burdock Blood Bitters puts the stomach into shape by promoting perfect digestion, and restoring health and strength to the system. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

DRESS WARM AND KEEP FEET DRY

Tells Rheumatism Sufferers to
Take Salts and Get Rid
of Uric Acid.

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The process is a slow one and a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

Field Ambulance and in the spring of 1914 was transferred to the 25th Dragoons as their M. O.

In August 4th, 1914, he enlisted and joined up with the 8th Field Ambulance, a section of which was raised by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

General Macdonell told of Major Duval's heroic conduct at St. Jean when he worked under fire for forty-eight hours evacuating wounded. Another call came and he answered and was wounded by a shell. He was mentioned in despatches for gallant and conspicuous bravery under heavy shell and rifle fire.

The tablet was then unveiled while the Last Post was sounded by a bugler.

Colonel Murray MacLaren, as a member of the C. A. M. E. paid a feeling tribute to Dr. Duval, and felt proud of the action of the Hospital Commissioners and St. John Medical Society in honoring the memory of one who died while serving his country. Dr. MacLaren praised the work of the C. A. M. C. nursing sisters and stretcher bearers. He spoke of the late Dr. Thomas Walker, whose absence all felt, as one whom only ill health prevented from going to the front.

A very beautiful address was made by Rev. J. A. Morrison, D.D., pastor of the First Presbyterian church West St. John, which Major Duval attended. St. Dr. Morrison characterized Major Duval as one who fulfilled Geoffrey Chaucer's description of a "very gentle, perfect knight." Dr. Morrison read a paragraph from a letter from Major Duval describing his feelings "while in danger." I was only doing my duty, "what I had come over to do," he wrote. "You could not leave wounded men under shell fire, you know."

Ladies' Golf Club

Annual Meeting

Reports Heard at Meeting of
Ladies' Association of the
Riverside Golf and Country
Club—Mrs. Busby Re-
elected President.

That the Ladies Association of the Riverside Golf and Country Club have three hundred dollars on hand for furnishings was stated at yesterday afternoon's meeting which was the annual one, held at the Board of Trade rooms. Mrs. Busby presided, and the Secretary-Treasurer, Miss Helen Sydney-Smith submitted the annual report.

Miss Smith stated that the club has 111 playing members and 67 house members. Teas have been held each month through the season, and six very enjoyable Foursomes. At the closing day a feature was the presentation to Andrew Jack of a silver service. Prizes for the year were won as follows: Championship—Miss Mabel Thomson.

McLeod Cup—Miss Frances Stetson, Barker.

Thomas Trophy—Miss Winifred Riley Cup—Mrs. Shirley Peters.

Handicap—Mrs. N. R. deBrisay.

It was announced that the new club house will be ready for occupancy when the season opens. It is described as a very fine building with large rooms, those on the lower floor opening on the veranda with French windows. There is a lounge and large dining room. There are two private dining rooms and card rooms up stairs and comfortable dressing room. The view from the club house is most beautiful and the windows are large in every room, so that it may be seen to advantage. Floors are all of hardwood, the rooms being finished

LET "DANDERINE" SAVE YOUR HAIR

Get rid of every bit of that
ugly dandruff and stop
falling hair.

To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of "Danderine" at any drug or toilet counter for a few cents, pour a little in your hand and rub well into the scalp. After several applications all dandruff usually goes and hair stops coming out. Every hair in your head soon shows new life, vigor, brightness, thickness and more color.

throughout in Douglas fir. The walls are paneled, the ceilings beamed and the plaster left rough with a very good effect. A formal opening will be held as soon as the weather permits in the spring.

Officers were elected as follows: Mrs. Busby, President.

Mrs. W. E. Foster, Vice-president.

Committee of management—Mrs. A. W. Adams, Mrs. W. H. Shaw, Mrs. James U. Thomas, Mrs. George H. Mead, Mrs. A. L. Fowler, Mrs. J. Pope Barnes, Mrs. Shirley Peters, captain.

Greens committee—Mrs. Harold Schield, Miss Frances Stetson, Miss Barbara Jack.

A meeting of the committee of management was held after the annual meeting at which Miss Helen Sydney-Smith was re-elected secretary-treasurer.

Eleven new playing members and two new house members were elected.

"SYNONYMOUS WITH SERVICE," REMINGTON TYPEWRITERS.

Deaths And Cases Have Decreased In New York

New York, Feb. 6.—Deaths and new cases of influenza and pneumonia decreased today and health officials declared the belief that the peak of the epidemic has passed. Deaths from influenza totalled 110, a decrease of 42 from yesterday and new cases aggregated 2,825, a decrease of 291. There were 140 deaths from pneumonia, a decrease of 42 and 80 new cases, a decrease of 217.

The State Department at Albany reported a decrease in the total number of cases throughout the state.

In New Jersey there were 1,242 new cases of influenza and 165 new cases of pneumonia with twenty-eight deaths from influenza and forty-nine from pneumonia within the past twenty-four hours.

A resolution authorizing the loan of surplus army hospital equipment to emergency influenza hospitals was adopted by the Senate at Washington this morning.

OF INTEREST TO WOMEN.

DR. MARC AURELE'S

GOLD NUGGETS

Knowing what it is to suffer the tortures of female disorders, I have decided to send FREE a trial treatment of Dr. Marc Aurele's Gold Nuggets, a simple home treatment, to all suffering women who will write for it.

I WONDER WOULD IT HELP ME? This question has been answered by many women the country over who have found health and happiness in the use of this treatment. Women who had suffered terrible agonies from falling womb, backache, extreme nervousness, others from suppressed menstruation, painful periods and such female trouble. Write to me today for FREE trial treatment. Enclose 10c in stamps to cover postage, wrapping, etc.

MRS. A. FEYER, BOX 125, S. Windsor, Ontario.

SERVICE

FIRST

Girls Wanted TO LEARN TELEPHONE OPERATING

Requirements:

Courtesy, Intelligence, Grade Eight Education

TELEPHONE OPERATING requires special knowledge and training, which is given in the School for Operators. Not only is this instruction given without charge, but the company pays you a salary while you are learning. In many lines of work a girl has to give her time for several weeks, or even months, learning a trade, and often in addition has to pay for the instruction. When the trade is learned and she is fitted for a position she frequently has to wait more weeks or months before she can secure one.

Upon successful completion of the Telephone School Course, you are assured a position at once. Rapid promotion to responsible positions is possible for girls with ambition and intelligence, who are alive to requirements of a present day business woman at salaries in excess of most other lines of business.

Ages 16-25.
