

THE **T. EATON CO** LIMITED
TORONTO AND WINNIPEG

EATON QUALITY

EATON QUALITY is the product of long experience in dealing with the producer and manufacturer, knowing just what and from whom to buy. We patronize the best mills, the largest factories and the most reliable manufacturers. Every piece of merchandise is carefully examined—the slightest defect forbids its entry into our stock. Swift machines and labor saving devices combined with our economical business methods lessen the cost of production and selling, and permit us to give you better quality for your money.
