

## Pressure on Raiders and X-Men stand tall

The score was almost identical to the Friday night game but the character of the contest was markedly different. Instead of trailing by a bunch at half time and playing tough in the second half, UNB's Red Raiders were in the game right to the end.

Led by Greg Winston, the 6'8" centre for St. F.X., the X-Men jumped to an early 10-0 lead. The Raiders scratched and clawed back to trail only by 2 at half-time 45-43. Scott Devine again led the resurgence.

The second half began the way the first one did. Winston and Ryan seemed to score at will. They both ended the game with 21 points to lead their team. However, UNB has gained the reputation of never quitting and fighting harder under pressure. The game got physical and the Raiders seemed to thrive on it. Instead of being intimidated by the larger, highly flying X-Men, UNB gave it right back and gradually the lead diminished.

It was anybody's game until the final two minutes. The difference at that point was only six points. Then a couple of turnovers and some late fouls made the lead comfortable for X down the stretch.

Scott Devine led all scorers with 27 points before fouling out late in the game. He shot 75 percent

from the floor and held national team guard Viruj Gurunlian to 17. Bob Aucoin with 14 and Andy Cheam with 12 were the other Raiders in double figures.

St. F.X. Coach, Steve Konchalski, paid the Red Raiders a compliment before the game saying "I would hate to play you with a big man". UNB's depth showed as everyone played and scored while St. F.X. played most of the way with six and got all of their scoring from their starters.

Final score: St. F.X. 97 UNB 81  
The Raiders are on the road again this weekend playing in Sackville against arch rival Mt. A on Saturday afternoon at 2 p.m. On Monday night they are in Unity, Maine for a rematch of their tough encounter with Unity College.

Next home action will be against 1978 CIAU Champions St. Mary's University Huskies on Saturday, February 10 at 8 p.m. and Sunday, February 11 at 3 p.m.

## Sainte-Anne is victorious

universite Ste Anne de Church Point, N.S. captured the UNB Invitational Floor Hockey Tournament last weekend (Jan 27, 28) with a convincing 10-2 victory over the Dalhousie T.Y.P. team in the championship final. UNB took the consolation final over the Dalhousie College of Pharmacy Team by a 12-8 score.

The tournament opened Saturday morning with UNB hosting the perennial favorites in floor hockey, Universite Sainte Anne, in what was later described by the Sainte Anne coach and athletic director, Jean Duperreault, as the best game he has seen in two years.

The Sainte Anne team, which

annually hosts the Maritime Championships, entered the gym in typical fashion. They always enter prior to a game to the tunes of a bagpiper who travels with the team and roll from there into their French Canadian fight song. It is a fairly expressive spectacle to witness.

Sainte Anne had built up a 5-2 lead halfway through the second period but UNB fought back to even the score at five apiece about midway through the final stanza. With 1:32 to play in the game and UNB playing with two men in the penalty box, Sainte Anne scored the winner on a play which UNB goaler Ken Gaudet had no chance. Earlier in the game,

Gaudet, who played extremely well the entire tournament, kept UNB in the game with a series of great saves.

After losing its opening game, the UNB squad was faced with the necessity of winning back to back games against Dalhousie Pharmacy and Dalhousie T.Y.P.

The game against Dalhousie Pharm. should have posed UNB no threat but UNB knowing they had to save something for the Dal T.Y.P. game which was to follow immediately after, played the game in a lacklustre effort which saw Dal Pharm score two late goals to even the score at four apiece.

The Dal T.Y.P. game promised to

be and was a very rough and physical game. In a do or die situation UNB surged ahead 3-1 by the end of the opening period. The second period saw Dal T.Y.P. come out with the intention of intimidating the lighter UNB squad, the strategy worked and but for the strong play of Steve Brown, Pat Lee and Ken Gaudet, T.Y.P. would have led more than 5-3 heading into the final period.

Coming back strong in the third period, UNB almost won the game when Rod Stackhouse hit the crossbar with a shot in the final minute of the game. The teams ended in a 5-5 draw and T.Y.P. advanced to the final against Sainte Anne, which ended the tournament on Saturday with a perfect 3-0 record.

The championship final which was played Sunday, should have been a good, hard hitting game and would have been except for the savage play of one player which necessitate the curtailment of the game. The championship trophy compliments of Oland's Brewery, was presented to the "Flying French" from Sainte Anne on the basis of their 10-2 lead when the game was called off.

The UNB team will play in the Maritime Championships at Universite Sainte Anne at the end of March. The tournament will involve teams from as far away as Edmonton, Alberta and the team is hopeful it can place quite highly.

## N.B. Winter Games

UNB hosts a men's gymnastics competition this Saturday, Feb. 3. The meet will be held in the UNB South Gymnasium, with the first events beginning at 12:00 noon. Teams competing will be UNB, Ule Moncton, Dalhousie University, as well as the winter games teams of N.B., N.S. and P.E.I. This will be the only meet held at UNB this year and spectators should be treated by seeing some fairly exciting gymnastics. The strongest team, Dalhousie University, will be led by Shawn Healey, a medal winner in previous CIAU and national championships. Dan Leaman, a third year computer science student at UNB and Rick Veiler a freshman BPE student have both done well in competition earlier this year. Dan and Rick have both qualified as members of the N.B. Winter Games teams, Rick as well as senior John O'Keefe are still a bit short of qualifying for this years CIAU meet, while Dan has already reached the 36 point standard necessary to qualify.

The N.B. winter games team includes three other gymnasts from Fredricton. They are Jamie MacKinnon, Terry Noel, and Rudy Jockek, all students at F.H.S. The sixth member of the N.B. Winter Games team is Keith Pelerine from Harrison Trimble High school. Last week in Moncton, the S. W.G. team narrowly edged the N.B. W.G. team 172 to 169. This week at UNB, the N.B. team hopes to reverse this result.

For further information regarding the competition contact: Donald Eagle  
UNB
