Discover the Definite Difference

Bank at Your Credit Union

Credit Unions are for everyday people. Our members aren't large multi-national corporations or foreign governments. No ivory tower executives make our day-to-day decisions because we're owned and controlled by our depositors and borrowers, better known as our members.

We do business right in the communities where our members work and live. On top of that, our deposit rates are generally higher than the big banks, our loan rates and service charges are generally lower and our people know how to make you feel at home.

We're YOUR credit union. If you work for York University it's so very easy to discover the definite difference. We'll show you what you've been missing. You can bank on it at UNICOLL.
