

2616
together, and in the
shape of an initialed
secret memorandum.
But as to this, I have
suggested Mr B should
see you first and ^{arrange}
the form of words.

The Director seems
to feel something of this
kind necessary to
justify the actions
they are taking.
They know quite well

2616
that it is ^{nothing} more
as a security than
the assurance you
gave yesterday
Yours always
Geo. Thompson
