

of the Islands, together with
 a bearing showing the said
 triangulations and the
 range line noted as omitted
 on the plan, should also be
 furnished; and you should
 also state in what manner
 you obtained the distances
 and bearings of the courses
 of that portion of your Field
 notes which you call the
 "lines of Islands in Tongareva"
 I am,

Sir,

your obedient servant
 R. Sinclair
 Acting Deputy of the Survey Genl
 of Indian Affairs.
