

Ottawa, 21st October, 1914.

A recommendation has been made by a number of the Indians of Dartmouth for the appointment of Councillor Peter L. Paul as constable at that place. Be good enough to report on this recommendation and if it meets with your approval it is desired that you ascertain the terms upon which Paul will undertake to perform the duties of constable. An early report on this matter is requested.

Your obedient servant,

*W. Howard*

Assistant Secretary.

D. Chisholm, Esq.,
