

I says: "open arrest again, sergeant,"

Q-217 What were you referring to by that?

A-217 Referring to the open arrest he put me on on that obstacle course.

Q-218 You understood Sgt. McNab to speak to you individually, then, three times?

A-218 Yes, sir.

Q-219 And, tell you to keep quiet?

A-219 Yes, sir.

Q-220 And yet you continued to talk?

A-220 I kept quiet every time. The first time I didn't say anything to him, and the second time I didn't say anything to him.

Q-221 But, you resumed talking?

A-221 After he left, sir.

Q-222 Why did you resume talking?

A-222 I understood that as long as we were marching at ease, we could speak.

Q-223 You had been told that while you were marching at ease you could talk?

A-223 Yes, sir.

Q-224 Had you ever been told you couldn't talk at ease because you were marching at night?

A-224 No, sir.

Q-225 Did Sgt. McNab tell you that during this particular period in question?

A-225 No, sir, he never explained it to me.

Q-226 Why did you keep on talking?

A-226 He never explained it to me.

Q-227 Even though he ordered you not to talk. Did you realize you were disobeying a lawful order?

A-227 I didn't realize I was disobeying anything. I figured he had some grouch against me and he wanted me to keep quiet.
