THE FOLLOWING GOODS ARE KEPT IN STOCK:

Coal Oil,

NOTICE—I don't keep Dry Goods in Stock, but I would just say, that all the Dry Goods Stores that serve the Grange are Retail Dealers. I am prepared to sell you the following lines by the piece at a less price than any dealer, because I can go to the Wholesale and select the stock to the best advantage. The quotations given in this book are, by the piece, from the largest Dry Goods Store in this city: in fact, they are the very Lowest Wholesale Prices, and you get them at the same price that country storekeepers pay for them.

JOSEPH DILWORTH,
GENERAL DEALER,
168 King St. East. Toronto, Ontario.

N.B.—All other Price Lists are Cancelled.
