

SPRING SALE of Used Pianos

IN a great piano business, such as has centred here, there are many chances for bargains—pianos that have been rented or pianos that have been taken in exchange. We frequently have sales of such instruments, but just at this season, when pianos that have been on hire during the winter are returning to us, it is imperative that they be sold quickly. We have marked the prices low enough to ensure this, and advise an immediate reply to secure the instrument of your choice.

Some of the pianos were new when hired, and have been used but a few months; the others, though they have been more used, are in perfect order, for our repair experts have after careful examination pronounced them so, and we endorse their verdict with our fullest guarantee—the same that accompanies any new piano.
