THE JOURNAL OF COMMERCE, THURSDAY, JUNE 25, 1914 .:

The Badgley stated that Notre Dam de Grace was now the ceritre of build messes were being put up there at the time. He stated, how ever, that values had reached the the in buying land at present prices in fore Dame Grace for speculative proper levels and that there was litt is are to have of the Mountain, he opening up of the tunnel would be a streat inducement to people to built mess there. Trices were, however were his there and there was little of an attraction, for, speculative pur posses, at present levels.

takce Mr. Badgley prophesied word be at the back of the Mountain, at the opening up of the Mountain, at a strat inducement tunnel would be a strat inducement tunnel would be a strat inducement tunnel would be they adopt safety methods, one hears of an attraction for speculative pur-poses, at present levels. There were only 25 real estate trans-case was a large amount involved. Aug. Prevost sold to B. Mountain.

The United States Steel Corporation of active statistical a "Safety First" comparison for the pre-vention of active through the statistical a "Safety First" comparison of active statistical a "Safety First" comparison for the pre-vention of active through the statistical a transformation of active statistical a transformation of active statistical a transformation of active statistical active active statistical active active statistical active

vehicles. The apparently insatiable craze for speed and haste displayed, often with the absolute disregard of the safety or consideration of others. The remedies are to educate the pub-lic to make safety their first considera-tion.

Dr. Tolman, Director of the Ameri-can Museum of Safety, and author of a volume entitled "Safety," to which i in indebted for much information. Says: "A recent case brought 'o light the fact of how one manufacturer, af-ter the inspectors report had been re-ceived, left a floor pit uncovered, Shortly afterwärld at workman fell in-to it, and received! \$15,000 damages, betterally, a wooden hand-rail at theman life and limb.

# LET OUR LITTLE "WANT ADS" FIND THOSE WHO GAN "HITCH IT UP."

THE savers are the winners! And the winners are the *Investors*! Make the money good stocks; high-class bonds or other securities it matters little, so long as the money brings you a fair return. Or if you would like to put your money into a strong, will meanized business you will find our Want Ade\_they not but a trifle\_will locate an well-organized business, you will find our Want Ads-they cost but a triffe-will locate an opening for you quickly and cheaply. Send your Want Ad in now. And if you have a

desirable investment to offer, whether it be land, buildings, stocks, bonds, or an interest in your business, you will find a Want Ad the best way to locate a buyer. Just send in a little Want Ad like those below. We will carry your message into thousands of business offices where it will almost surely find a good purchaser for you.

USE .

INVESTORS -WE HAVE FOR SALE securities in the form of municipal bonds, first mortgages, and splor-did industrial stocks which will net you from 4% per cent to \$ per cert, Will be glad to recommend the best investment for your needs. Call or address:
