

THERE IS GREAT DANGER IN CATARRH.

If Left to Run Its Course Unchecked, It Often Causes Death.

Catarrh scatters its poisons throughout the entire system. The stomach and lungs are affected by the droppings that fall into the throat and are swallowed during sleep. Dyspepsia, inflammation of the stomach, bronchitis and consumption are the results. The blood also becomes contaminated and carries the poisons to all parts of the system. Frequently in the more advanced stages, the bones of the head become decayed and the air passages are a putrid mass and create a stench so foul and offensive as to be unbearable. The expression, "rotten with catarrh," is not overdrawn or exaggerated.

Stuart's Catarrh Tablets strike at the root of this terrible, odious disease and eradicate it from the system. They are a constitutional remedy that cleanses the system thoroughly of all poisons and purifies the blood. Under their influence the head becomes clear, the discharges at the nose and droppings into the throat cease, the lost sense of smell is restored, the eye brightens, the foul breath becomes pure and sweet and the odious, disgusting disease is thoroughly expelled from the system.

A Cincinnati man says: "I suffered the misery and humiliation of catarrh for twelve years. My case became so aggravated that it seriously interfered with all my business relations. The disease became so offensive that I would not venture into any one's presence unless it was absolutely necessary. I tried every remedy that I could get hold of. Some helped me temporarily, but as soon as I ceased taking them, I would relapse into the old condition."

"Finally a friend told me of Stuart's Catarrh Tablets and insisted that I try them. I had about despaired of ever finding help, but bought a box anyway. I began to notice the improvement within twenty-four hours after I began taking them. Before the first box was gone I felt like another man. I kept up the treatment till I had taken three boxes, and was entirely cured. I have never had a recurrence of the trouble from that day to this. My head is clear and well, and none of the offensive symptoms of the disease ever trouble me. It has been two years since I stopped taking them."

Stuart's Catarrh Tablets are for sale by all druggists, at 50c. a box. -om

GOSSIP.

"I really must send the cook away, George, she uses such dreadful language sometimes."

"What kind of language, dear?"
"Well—Oh! the same as you use, you know."

"Now, children," said the teacher, "let us see what you remember about the animal kingdom and the domestic animals that belong to it. You have named all the domestic animals but one. Who can tell me what that one is? It has bristly hair, likes dirt, and is fond of getting into the mud." Miss Fanny looked expectantly around the room. "Can't you think, Tommy?" she asked, encouragingly. "Yes'm," was the shame-faced reply. "It's me."

BY FORCE OF HABIT.

When Lyman J. Gage, of Illinois, now a banker in New York, was Secretary of the Treasury, he took long walks for exercise. Mr. Gage is a big, broad-shouldered man, with the springy step of a boy of twenty.

He was with Assistant Secretary Milton E. Ailes on Pennsylvania Avenue in Washington one day when they came to a wholesale grocery house.

A man was loading barrels of sugar on to a wagon. Mr. Gage stepped up, took a barrel of sugar and swung it up to the wagon as easily as if it had been a pound of crackers.

"I learned how to do that when I was a clerk in a grocery store," said Mr. Gage to the admiring and astonished Ailes, "and I have never forgotten how."

VETERINARY ADVICE FREE.

Dr. Hess Proposes to Prescribe, Free of Charge, for Animals Owned by Readers of this Publication.

THROUGHOUT November any reader of this publication who has an ailing animal may get the best service of a famous veterinarian free of all charge. This public beneficence comes from the determination of Dr. Hess & Clark to demonstrate to the world the unvarying success of Dr. Hess as a practical veterinarian, and to emphasize his ability to formulate a stock compound of almost universal application.

Thousands of head of valuable stock are lost yearly by the inability of breeders to grapple with the subtler phases of stock diseases, and the greater number of small owners suffer serious loss through ignorance of even the simpler disorders. To all of these comes Dr. Hess (M.D., D.V.S.), ready to freely dispense his knowledge of medicine, gained in the great medical and veterinary colleges and in half a lifetime of active and lucrative practice.

If you have an animal with any kind of disorder, write to-day to Dr. Hess & Clark, Ashland, Ohio, care Information Bureau, enclosing a two-cent stamp, and describe your case fully. Also state what stock you have (number of head, each kind); what stock food you have used, and mention this paper. You will receive in return a special prescription, written from a scientific diagnosis of the special disorder, by this eminent veterinarian. If you want further advice, this also will be fully given.

THIS OFFER HOLDS GOOD ONLY DURING NOVEMBER. While waiting Dr. Hess' reply, get Dr. Hess Stock Food and feed as directed on the package. You will notice a wonderful change in the spirits and condition of your stock.

Dr. Hess Stock Food is the scientific compound for horses, cattle, hogs and sheep, formulated by Dr. Hess (M.D., D. V. S.). Sold on a written guarantee, 100 lbs. for \$7.00—smaller quantities at a slight advance; fed in small dose. For any disease or condition for which Dr. Hess Stock Food is not recommended, the little yellow card in every package entitles you to a letter of advice and special prescription from Dr. Hess at any time.

If your dealer can't supply you, write Dr. Hess & Clark, Ashland, Ohio, U.S.A.

CAN YOU AFFORD

to do without a grinder, or buy any but the one of which customers say "The 'Rapid-Easy' does more work with same power than any other?"

"We bought a 'RAPID-EASY' Grinder No. 2 from your agent at Walkerton, and would say that the machine does first-class work. We grind mixed grain through, without trouble, 20 bags per hour. We like the design of your plates, and believe them to be of the very best material." Joseph & Andrew Freiburger, Walkerton, Ont.

"I have run one of your No. 2 GRINDERS about three years, using a 20-h. p. engine and running the GRINDER at a high speed. It grinds 20 to 25 bags per hour, doing good work. Your plates are very good. Your GRINDER is all right." Geo. Gollightly, Monkton, Ont.
