sale. Besides the Shorthorns, there will be sold four registered Clydesdale mares, from three to eight years of age. Three of these are sired by the champion Imp. McQueen. Three are heavy in foal, and the other is a Toronto first-prize winner. Here are a choice lot of mares, and, as above stated, three of them are likely to have foals at foot at time of sale. There will also be sold one yearling stallion colt. Remember the date, May 24th, when half-fare rates will be issued on all railways. As this is about the last of the old-established herds of note in Ontario, parties interested in Shorthorns should make it a point to attend, as the animals to be offered are strictly high-class, and there will be no reserve. Catalogues may be had on application to J. I. Davidson, Balsam, Ont. People coming from Toronto and west had better come by C. P. R., as they will make better connections. G. T. R. trains will be met at Myrtle at 9.30 a. m. from south, and at 12 from north.

### GOSSIP.

The exportation of Lincoln sheep from England the past year, according to the Council report of the Longwool Sheep Breeders' Association, has numbered: Rams, 3,847; ewes, 2,050; ewe lambs, 567; ram lambs, 455; a total of 6,928, as compared with 4,855 exported the previous year.

### REMARKABLE BREEDING RECORDS.

A seven-year-old cow in Morayshire, Scotland, is reported to have given birth to her eleventh calf last month.

A Blackface ewe at Glenluce, Scotland, is reported to have made a singular lambing record this spring. The shepherd one morning watched her while she gave birth to two fine lambs. She was removed the following day along with her lambs to another field, and the shepherd was surprised, six days later, to find the same ewe requiring assistance to lamb, when she produced another strong lamb. She would have nothing to do with the third one, for which a foster mother was found, and it is doing well.

Mr. T. W. Britten, a Derbyshire farmer, near Buxton, reports that he has 75 living lambs from 36 Shropshire ewes, no fewer than nine of the ewes having produced triplets.

### MORE CLYDESDALES FOR CANADA.

Mr. Dugald Ross, Streetsville, Ontario, recently sailed, per the s.s. Athenia, with two Clydesdale and two Hackney stallions, purchased from Messrs. A. & W. Montgomery, Netherhall and Banks, Kirkcudbright. The Clydesdales are both good horses for the Canadian market, and the Hackneys are of an excellent class. Baron Cathcart (12440) was bred by Messrs. D. & J. Curr, and is a son of the great breeding Baron's Pride; while Drummur Marquis, a three-year-old, and a year younger than his companion, was bred by Mr. T. G. Duff, of Drummur, Keith, and is by Moncreiffe Marquis, a horse which, it will be remembered, was first at the Inverness Highland, and is sire of the gelding, Marquis, champion at Chicago on several occasions.

Mr. Thomas Mercer, Markdale, Ontario, sailed the last week in April, his shipment consisting of a fine lot of fillies and stallions from Mr. Peter Crawford, Dargavel, Dumfries. The stallions included the eight-year-old Balmedie (11251), by Balmedie Prince Charming, and bred by Mr. J. A. Wallace, Claycrop, Kirkcubright; Hallmark (12592), a four-year-old Hia-watha horse, bred by Mr. D. Allan, South Fod, Dunfermline, and The Deemster (13799), a three-year-old, bred in the Isle of Man, and got by Sir Anthony. These three are of the weighty cart-horse type so popular at present in Canada. The fillies were a nice, even lot, and were by such sires as King of Kyle, Bold Douglas, Royal Citizen, Prince Ailsa, Gallant Fauntleroy, Prince Betmes, and Prince of Maryfield. [Scottish Farmer.]

## A Magistrate Investigates Zam-Buk

**SAYS IT IS A WONDERFUL  
HEALER AND DOES MORE  
THAN IS CLAIMED  
FOR IT.**

Probably no household remedy in existence has won such glowing tributes from people in high places as has Zam-Buk. Mr. Roger F. Perry, Justice of the Peace for British Columbia, recently tested this famous balm, and this is what he says of it:

"The Pavilion,  
Goldfields, B. C."

"To the Zam-Buk Co.:

"Gentlemen,—After a very fair trial I have proved Zam-Buk eminently satisfactory. In my case it cured a skin rash of five years' standing, which no doctor had been able to do any good for.

"I would certainly encourage any person to keep Zam-Buk in their home. It truly does even more than you claim for it. For my own part I would not now be without it in the house. Yours very truly,

"(Signed) Roger F. Perry,  
Justice of the Peace for B. C."

Zam-Buk differs from ordinary salves and embrocations, for while these mostly contain animal oils and fat, Zam-Buk is purely herbal. It closes and heals cuts, festering sores, ulcers, eruptions, boils, eczema, chafing sores, etc. In the household, it is the handiest possible remedy for burns, scalds, children's injuries. It instantly cleanses any wound to which it is applied; prevents festering, inflammation or blood poison. It cures piles, varicose ulcers, and fistula. All druggists and stores sell at 50 cents a box, or from the Zam-Buk Co., Toronto, for price; 6 boxes for \$2.50.

## ANNANDALE FINE STOCK FARM
