I am pleased to send you the translation of that letter as a sample, and if you think proper, you may publish it in your valuable paper, the CATHOLIC RECORD. I CLUT, WHO TRANSLATED IT. Moose Island, 10th December, 1899.

OLIC RECORD. Dear Sir-I received lately a nice letter, from Great Slave Lake, from Michael Mandeville, a Chipaweyan half-breed, who has never been at any school. There were none in the country at all when he was a child. But the Catholic missionaries of Fort Resolution taucht him as the other Chipaweyans to read and write in syllaboyial characters, and he is writing per-fectly well as are the most of his countrymen. The missionaries in all our missions are teach-ing their Indians, and nearly sill our Indians, especially the tribes of Denes or Chipaweyans know how to read and write and so know well our Catholic religion. 1134-10

ceremony concluded, the bridal party drove to the residence of the bride's parents, where a sumptuous drjeuner awaited them. The wedding quests, numbering about two hun-dred, included their parish priest, relatives and friend's, many from Buffalo, Detroit and other places. Noticeably among them was the presence of a former parish priest, Rev. Father Boubat. of Chatham, who was at the time visiting old acquaintances in Ashfield. After a very enjoyable afternoon and evening had been spent in music and other amuse-ments the happy couple left for their home in Chicago. As was testified by the numerous and costly presents, prominent among them a handsome jurce and address, the bride was one of Ashfield's most popular daughters. Every good wish of their many friends accom-pany Mr. and Mrs. Sullivan, for a happy and prosperous future.

My old beloved Father-I am going to write a little to you, Because I have not written to you for a long time, don't think your son has forgotten you. As long as you live I shall not forget you, and as long as, I live, even though you be dead, I am not going to forget you. Now I will tell you how we are here. She came with her oldest sister, Madeleine, and died five days after her arrival. So you see I am again in great affliction, but I think it was God's will that this should happen. Here in this earth my life is spent in sorrows, still I always wish to think of God, and as my whole life is spent in misfortune, I hope that in return God will grant me happines. My Father, the letter that you sent me by the Bishop Grouard I received and read with pleasure. I did not answer this letter, because I have nearly lost my eys sight.
