THOMAS COFFEY, Esq., Dear Sir and Bro.-While it must be highly gratifying to the originators of this excellent as oriation to originators of this excellent as oriation to witness the rapid progress it is making in Canada and the United States, and while all honoris due those truly good men who must have sacrificed a great amount of time and labor in carrying out and per-fecting this grand scheme of Catholic mutual benevolence, still it must not be forgotten that our chief officers, the members of the grand council, in discharg-ing the duties of their particular offices

ing the duties of their particular offices have each a large amount of work to perform. One who especially merits our appreciation is our kind and obliging recording secretary of the grand council, Bro. Samuel R. Brown, who has discharged his duties towards our branch to the entire satisfaction of all its members, and entire satisfaction of all the interview, and our experience in starting must be the ex-perience of all other new branches to a considerable extent, at least, for although the constitution of the C. M. B. A. is very interview. the constitution of the C. M. B. A. is very plain and easily understood, yet the offi-cers of all new Branches, require advice on many points in the proper govern-ment of their respective branches and it ment of their respective branches and it is to the secretary of the grand council we must look for such information, and I can say on behalf of our Branch, in justice to our esteemed Bro., that although Justice to our esteemen bro, that athough our correspondence was considerable on those matters, owing to the fact that we started without the assistance of any old member, and our organizing officer's time member, and our organizing officer's time was very limited when with us, yet it was always promptly attended to by our a esteemed brother. That success may always be his, and that he may be long spared to discharge the duties of his office are the earnest wishes of Branch No. 22. And now a word with the thousand Canadian members of this noble institu-tion. As this is the season of good resolu-tions let each brother resolve to add one more member to the fraternity before the

tions let each brother resolve to add one more member to the fraternity before the assembling of the grand council in May at Brantford, and then there will be nothing to prevent the carrying out of that grand prospect which must be the earnest desire of every Canadian member, viz. the of every Canadian member, viz., the establishment of a supreme council in Canada. I need not dwell on the many advantages to be derived from such astep, as it must be clear to all, so let every true member consider himself a factor of this on extensive works here. Among the suggestion, and until success has crowned his efforts, let him follow the example of buildings which he erected were the Basil-ica, and the Water street convent. Deceased reared, with honor and credit to himhis efforts, let him follow the example of the Roman Emperor Vespasian and enter in his diary each evening, "I have lost a day." Yours fraternally, Rec. Sec. Branch No. 22, Wallaceburg. To Mr. THOS. HENDERSON, Chancellor of C. M. B. A., Branch 19, Ingersoll. Dear Sir-Beso kind as to convey unto your honorable Branch, No. 19, of the C. M. B. The deceased expired at the old homestead near the city on the Montreal road, and by the side of the deathbed, as his spirit left this mun-dane sphere, stood the faithful life partner, who had shared his joys and sorrows for the past sixty-five years. Mrs. Robillard, although aged eighty-one, is quite healthy. As might be natural to suppose, the deceased, during his long residence here made the acquaintance of a very large number, by whom he was always held in high esteem. from ingerson, a copy of which you have conveyed to me. Please tell the Branch that from heaven. Please tell the Branch that I am delighted to have this opportunity to bear witness to the excellent Catholic spirit which has animated them so far, and to express the hope that they will high esteem.

# BEATTY'S GREAT OFFER.

The offer made by Mayor Beatty of a \$65 par or organ for only \$35.00' in another column, is a great offer, and our readers who desire an organ should avail themselves of it at once.

The cheapest medicine in use is Dr. Thomas' Eclectric Oil, because so very little of it is required to effect a cure. For croup, diptheria, and diseases of the lungs and throat, whether used for bathing the chest or throat, for taking inter-nally or inhaling, it is a matchless compound.
