STAMMERING CERTIFICATE.

We, the undersigned, residents of North Sydney and vicinity, in Cape Breton, having known Miss Lawlor when afflicted with, and oftentimes pained to witness her struggling with that impediment, stammering, have now much pleasure in testifying, through this medium, that she has been relieved of the above referred to difficulty. She can now give utterance to her ideas, with a freedom of speech, at once free, deliberate and apparently without effort.

We learn from her that she attended, last December the Stammering Institute at Hali-fax—in charge of R. B. Mackintosh, Esq—he having been empowered to use the method first known to, and practiced by Professor Sutherland, of London, Ont. We heartily recommend those similarly affected, as Miss Lawler, to avail themselves of

the privilege of attending an institution calculated to render such valuable aid to both old and young. MATTHEW WILSON, Presbyterian Minister.

RINGBONE CURED!

Augusta, Me., March 8th, 1880 Dear Sirs: I have had occasion to use FELLOWS' LEEM-IMES' ESSUNCE on a horse so lame from a Ringbone that I could not use him. I have been using it about three weeks, and find it does all you claim for it, as the lameness is

gone and the eulargement has almost disap-
