The Temperance and General LIFE ASSURANCE CO.

Head Offices: 22 to 28 King St. West, Toronto.

The following diagram shows the Death Rate per 1,000 actually experienced by the following British Societies and Life Assurance Companies:-

No. 1 (Blank Column), Rechabites Friendly Society—all Total Abstainers. No. 2 (Shaded Column), Twenty Leading Life Companies, accepting only First-

No. 3 (Dark Column), Forresters' Friendly Society-similar in all respects to No. 1. except that Non-Abstainers are admitted.

One glance at this diagram will convince Total Abstainers that they should insure only in a Company where the immense Mortality Difference in their favour is fully recognized and secured to them.

The Temperance and General Life Company does this by keeping the Abstainers and Non-Abstainers in separate classes, thus giving the former all the benefit of their better lives as shown above.

HON. GEO. W. ROSS,

President.
