

YES INDEED. . . .

That Mammoth Package of Cream Sodas has come to stay. We were a little dubious about it at first. It costs money to experiment in this sort of thing, and we were naturally anxious, but the public appreciate a good thing, and they know a good thing when they see it. If you have not had our Cream Sodas in this new 3-pound package just send us a card for a case of them. By the way, just let us ask you to watch this space every week; it will pay you to read our "ad" in THE GROCER. It is always in the same place.

any required size of pane comes under, add its length and breadth together. Thus in a 7x9 pane the length and breadth come to 16 inches, which shows it to be a first-break glass, i.e. not over 25 inches in the sum of its length and breadth.]
