terday morning, when it flew out of an open door at the Salvation Army barracks, Last night a young lady residing at the corner of Queen and Darling streets heard a peculiar bird cry in a tree opposite her home, but took no further notice of it until, picking up the Courier, she read of the Adjutant's lost parrot. She then looked into the tree and called the bird, which she had discovered to be a parrot. It came to her, and she at once restored it to the owner, receiving his heartfelt thanks.
