Balkan War

(Continued from Page 1)

Germans in the north and the Bul garians upon the east. This chance of getting a straddle of the international line and maintaining the corridor uninterrupted would seem to be the only strategic

chance open. But the factor of time is heavily against the allies even in this, and even supposing they had at present forces sufficient to meet the five or six army corps which the Austroequivalent) which Bulgaria may put into the field.

It is self-evident that long before help is actively present in nortaeastern Serbia, the Bulgarian army with its very great numerical superliority, will have begun its advance upon the international railway. We may be confident that Bulgaria will not mobilize more than that nor-

which any nation can count as its main effort in time of war. In neither the first nor second Bal kan war-when Bulgaria was certain ly putting forth her very utmost-did

she arm and ration 10 per cent. of her ROUMANIA'S ENTRY VITAL

FACTOR. That population has suffered heav ily by the two great wars, and one may safely count on a force no greater than 350,000, even from new Bulgaria, with its extended bound-

But that is formidable. Serbia can-0 15 to 0 20 0 25 to 0 30 not now put into the field more than 0 12½ 10 0 00 two-thirds of such a force. Greece, with her newly extended boundaries, could mobilize more men than she 0 0 did in the Balkan wars, were these trained, which they are not, or were 0 00 her military organization already ex-0 121/2 to 0 00 panded to meet the new population, which it is not.

The truth is that in all these steps there will always be one decisive last factor, which is the Roumanian army. Some in this country affect to despise that force because Roumania civilization does not appeal to them I have no experience of this mora factor, but we hear upon all sides of the excellent Roumanian military ar

9 00 rangements, and the factor of num bers is very striking. Roumania can put into the field more men than Serbia and Bulgaria combined, and perhaps as many men or nearly as many, as Serbia, Bul-

9 00 garia and Greece combined. Roumania has not moved, and she knows her own business. She has profited in the past by not moving
