SPORT

LONDON, June 11.—Richard Croker's Orby, ridden by Johnny Beif, won the Derby stakes of 6,500 sovereigns at Epsom today, distance about 1 1/2 miles.

Woolwinder, ridden by Madden, was second, and Steve Gallion, an Irish horse, ridden by Higgs, was third. Orby was used in Ireland out of an American dam and thus the Derby has been won by an American owner whose horse was ridden by an American jockey and whose mount was out of an American mare. Nine horses started.

Much of the customary gaiety and picturesque scenes on the road to Epsom this morning. Torrents of rain poured down up to 10 o'clock and the muddy procession bound to the Downs looked uncommonly like the return of the procession after the downfall of the favorite.

The usual Derby day types were present, but they were sadly reduced in numbers and the intermittent attempts of the umbrella makers to inject some of the old time hilarity into the scene failed to remove the general gloom of the holiday makers. All whose plans were alterable abandoned the road in favor of trains, and scores of special took enormous crowds to Epsom.

King Edward elected to travel by train. The royal party included the Prince of Wales, the Princess of Wales, the Duke and Duchess of Connaught and the Grand Duke Michael of Russia. The rain, which set off before the start, and the Downs presented a cheerful and picturesque appearance. Trains from all directions took enormous crowds to Epsom, and the throng was hardly up to the average. Many coaches were sent down over night and took up positions at all the vantage points, heavily laden with fashionable people, among whom were many Americans.

The annual meeting of the Saskatchewan Branch of the R.C.C. was held last evening in the headquarters at the skating rink, when the officers for the coming year were elected and other business connected with the Branch transacted.

One of the matters discussed was the proposition to publish an annual record of the yearly business connected with the Branch. The proposal was very favorably received and opinions from outside points appeared to be almost without exception in favor of issuing such a publication which it was thought could prove valuable as a record of the yearly business and help to sustain interest in the Branch.

The following were the officers elected: President—H. H. Honour, Lieutenant Governor Forster. Hon. Pres.—Hon. Walter Scott. President—E. M. Saunders, Moose Jaw.

They are not at all pleased with the two players' sudden change of base.

GRENFELL WIN IN SHIELD DRAW

GOOD PLAY SHOWN IN GAME FOR THE PEOPLE'S SHIELD COMPETITION.

GRENFELL, June 10.—Wapella and Grenfell battled for football honors here today in the first draw of the People's Shield competition. Grenfell won by a score of 3 to 1. Wapella, the advantage of the home team, however, for Grenfell scored after a neat bit of combination play by the forwards in about five minutes. Vidal pressed and before half time had scored two more goals. Collins and O'Callaghan being in the right places at the right time.

In the second half Grenfell had the best of the game, but by this time Wapella were playing a better defence game and prevented any further scoring. The forwards also put up a better combination game, and after one or two attempts, which the Grenfell goal keeper neatly nipped in the bud, they managed to score one from a scramble before the goal.

For the second half all played a splendid game but particular mention must be made of Vidal on the forward line; Davies, center half and Walters on the mid-field backs. Love in goal had not much to do but was always Johnny on the spot when necessary.

The following were the players:—

GRENFELL. Love, goal; Ben Walters, back; O'Callaghan, back; G. Woods, back; Bert Walters, h. back; Davies, h. back; Bennett, h. back; Welch, r. wing; Vidal, r. wing; Adams, centre; Collins, centre; O'Walters, l. wing; Cumming, l. wing; Sugden.

WAPELLA. Morrison, goal; Barclay, back; G. Woods, back; Blyth, back; Sharpe, back; Gibson, back; Shaw, r. wing; Adams, centre; Foster, l. wing; H. Woods, l. wing; Sugden.

Almost directly after the fourth and last game Miller scored for the Capitals, making number 5. A moment later the local boys came within an ace of adding another. The play at this point became very spirited, the spectators becoming enthusiastic shouting encouragements. Both Miller and Campbell suffered the indignity of being side-tracked. A further goal was then added by Fink, who received the ball from McGregor.

After this the All Ontarios were a little and an ineffectual shot was made at the Capitals' goal. All possibility of the visitors catching up seemed to have been somewhat. During the last few minutes two more goals fell to the Capitals. Lea scored a goal and an ineffectual shot was pulled the ball down into the net.

As soon as the game was over the crowd showed its appreciation of the work of the local boys by hearty cheering.

J. C. Miller, the manager of the All Ontario team, which is en route for Australia, was last year president of the Canadian Lacrosse Association. Mr. Miller is from Orillia, Ont., and is
