VALUE OF EDUCATION

Athens, Ont. Jan. 4, 1913 Editor Athens Reporter

As a graduate of the Athens High ool, I am naturally much intereste the question concerning that instithan the boys and girls who are some day to become pupils of this famous old school. Are we going to decide this question from selfish motives or or are we, broad-mindely, going to give the scholars of this county an approved school, better opportunities and larger chances of a more successful career ?

The moral value of an education is only equalled by its financial value A good education is worth money, more money than the average man realizes. The educated man gets a salary of about \$1,200.00. Supposing he works for forty years, then during this time he has earned \$48,000.00. Remember, this man to earn this \$48,000.00 had first to have a good education before he was capable of holding a position of responsibility and before he could command a good

Now, the other fellow-the man who works by the day, the uneducated man. What does he draw? \$1.50 a day is considered a pretty good pay, -and he works from two to four hours longer each day than the educated man to get this \$1.50, to say nothing of the difference in employment—one office, the other, anywhere be can. There are about 300 working days in a year. Therefore, the average work. ingman earn \$450 00 each year, where as the educated man earns \$1,200.00 -a difference of \$750.00. In forty vears the difference amounts to \$30,000.

From these figures the value of an education amounts to \$30,000.00 in hard cash, to say nothing of shorter hours, greater pleasures and more

home life and comforts.

If the High School By Law is de-feated, the scholars who would other wise enjoy the opportunities of an approved, up-to-date school, will be forced to put up with the conveniences that may have been good enough 30 years ago, but which are inadequate to-day. An approved school will cost less than 6 cents on a hundred dollars assess ment. Don't let that 6 cents stand in some school boy's way to winning that \$30.000.00 difference, and making his parents proud of his brilliant, successful career.

The graduates of the Athens High School blets the founders of that grand old institution. I trust the coming graduates will not have occasion to blame any voter for limiting their op-portunities and curtailing their chance of success by casting his vote against an approved school and better educa-

BLACKWOOD-STEACY

The residence of Mrs Jonas Steacy, Elgin St., was the scene of a very pretty but quiet event on Tuesday morning, Dec. 31, the occasion being the marriage of her daughter, Mise Edna Blair to W. Smiley Black-

wood of New York. At 9.30, to the sounds of the "Bridal Chorus," rendered by Mr Franklin Willows, the bridal party took their places under an evergreen arch, de-

corated with flowers. a gown of Irish baby loce with pearl can be cured by the great fruit kidney trimming over marquisette, carrying a and liver remedy bouquet of white roses and hyacinths. appeared, leaning on the arm of her brother, W. L. Steacy, by whom she was given away. Little Miss Beatrice Bresee carried the ring, which was concealed in the petals of a rose.

After the ceremony, which was per formed by the Rev. Geo Edwards, pastor of the Methodist church, Athens, the bride and groom received the congratulations of their friends, during which Mendelssohn's wedding march was played.

While the register was being signed, Miss Irma Culbert sang very sweetly "Greater and Deeper." The guests a dainty luncheon was served.

The bride wore a stylish travelling gown of "Mustard" Scotch tweed, with hat to match, and Persian Lamb furs, gift of the groom.

Mr and Mrs Blackwood left for Montreal, en route to New York, followed by the best wishes of their many friends.

ERRED AND MARRIED

The Brockville Recorder of Thursday and Friday last gives the follow-

ing account of the strange experiences of a young couple from the country :-On Saturday night, December 21, a youthful appearing swain and a fair looking damsel arrived here and registered at the Basers House as Mr and Live Stock and Poultry tered at the Revere House as Mr and Mrs Thomas Gray, of Newbore. ed up that he was out of funds and was willing to leave a suit case as sccurity.

Continuing his investigation the Chief learned that Gray was 24 years of age and that of his supposed wife 21 years. He said he lived near Newboro and the woman was from South Crosby. Continuing his cross-questioning the Chief's - idea that the pair were not married was well grounded. When asked who performed the ceremony Gray became nervous and this was intensified when he was asked for the certificate. Later he gave in and said he and the soman, who is Nellie Vielet McGonnigal, had

Miss McGonnigal was then sent for and stoutly maintained that the and Gray were married. She was told of the fact that Gray had previously told the Chief such was not the case and she, too, addmitted the ceremony had never been performed.

The couple were then taken to the police station and charged with obtaining board and lodging by false pretenses. Later they were remanded.

On Friday they were allowed to go, as the amount in question, \$44.50, was settled by the uncle and brother of Gray. Before leaving the chief's office, however, a marriage license was secured and the two were united in marriage by Archdeacon Dobbs. They intend leaving for the country in a day or two where it is expected they will take positions with a farmer. will take positions with a farmer.
