Another Year's Business....

At "The Ark."

In the past it has always been our endeavor to supply the wants and needs of the people of Kent County in general and this city in particular.

"Go to 'The Ark,' for anything you want" has become almost a proverb amongst the people of this vicinity.

The large and varied stock of stoves, tinware, enamelledware, crockery, lamps, chinaware, and general household furnishings carried by this store has become the wonder of all who visit this establishment.

We have surprises all the time in many lines, and people enjoy dealing here as they get what they want at prices that does not cripple them.

We wish you all "A Happy New Year."
