The Milk Cow is the Money Getter
on the Farm just now

While there is some reduction in Cream prices, the way that markets are going nowadays, the milk cow is one of the most important producers on the farm, for there has been LESS reduction in cream price than anything else that has been sold off the farm.

Protect your self from that long period of no returns by providing some milk Cows which give a regular income. Then milk them and sell your cream to the

BECAME SO THIN SHE WAS AFRAID

"FRUIT-A-TIVES" Made Her Well,
Strong and Vigorous

MADAME ARTHUR BEAUCHER

805 Cartier St., Montreal.

"I suffered terribly from Constipation and Dyspepsia for many years. I felt pains after eating and had gas, constant headache, and was unable to sleep at night. I was getting so thin that I was frightened and saw several physicians who, however, did not seem able to help me.

At last a friend advised me to take 'Fruit-a-tives'. I did so and soon I felt some relief. I continued with 'Fruit-a-tives' and in a short time, the Constipation was banished, I felt no more pains or headache or the disagreeable sensations that follow dyspepsia. Now I am well, strong and vigorous."

Mr. Chas. Parker of Calgary was here this week on an inspection trip for the Lott & Co. agencies at Calgary. The Cardston Investment Co. represent them here.

Magrath was visited by Mr. Jno. S. Smith this week on a business trip. He reports the Garden City people quite alive and everybody getting busy for a big farming season.

A recent letter received by J. Y. Card from Mr. Ikey May, who is on the South Sea Islands for his fifth birthday away from home, tells how he is enjoying his work and expresses his willingness to remain there as long as the cause has need of him. We could wish many of our home young men possessed this willingness to serve.

Everyday sees a few more strangers coming to town and they all wish to see the Temple. The official guide, our widely known President Thos. Duce, makes his daily visit at 3 p. m. He reports over 330 people escorted through this beautiful building since the first of January.

Mr. Hughes, representing the insurance firm of C. J. Campbell & Co., Calgary, was another stranger to pay his first respects to Cardston on Friday this week. He too was delighted with the Temple. They keep coming and they all want to see our far-famed building.

Don't forget the meeting of the Civic Club on Monday, the 14th, inst. at 7:30 o'clock in the Court House. This is one of the big factors in the creation of the community spirit we all like to see and every citizen should join up—then boost!!! You will find all the other Boosters already on the job, so get busy!!!!

Pres. Edw. J. Wood and Mr. Jno. F. Parrish were visitors at the Coaldale Nurseries the past week in connection with the selection and shipment of trees and shrubs for the beautifying of the Temple Block. They have returned with much information which we hope the citizens will make use of as suggested in our editorial columns.

Our genial Mr. E. L. Jensen has recently surprised his friends, not by taking up his bed or his crutches and walking, but by literally walking away with his house—aided by some twenty teams of his kindly neighbors. This was not understood to be an event of the present or even the near future, till the house was pally moving through our streets to its new location near the station and immediately west across the street from Mr. Jno. Hunt's residence. From this point Mr. Jensen can much more readily look after his dray business. We understand the Executive of the Civic Club took a lively interest in the event and The Globe congratulates them and all concerned in this kindly deed to our merry friend, "Cardston's Gentleman Pollyanna."

Miss Minnie Thorpe spent the week-end at home with her parents.

Mr. and Mrs. S. Baker entertained a number of their friends at their home Sunday evening.

An Old Boys and Girls reunion is on the tapis at Grimsby, Ontario, for August 25, 26 and 27, 1921. Did you ever live in or near there? The Old Home Committee wants your name and address.

Mrs. Clyde Jones entertained last Monday at a tea in honor of Miss Helen Walker, it being her birthday. Miss Gill got the button and Miss Nick on the nickel, all which goes to show Lue can see a nickel clear through a cake. The hostess however proved the wiser as she took the nickel to wash it and accidentally forgot to return it. Scotch eh? A lawsuit is expected.

The management of The Palace and the teachers of the six smaller grades gave a pleasant surprise party to the children of their grades. At 3:30 the children formed in line and all marched to The Palace. Each grade was seated in order and strict school discipline was maintained thru entire time. Mrs. Christie told a "Glad Story" and had all recite the "glad verses" in concert. "Pollyanna" was then shown. Mrs. Christie reading the writing as it appeared on the screen. After the films Mrs. Christie had each boy and girl promise to play the "glad game" for a whole month. The smaller grades from the surrounding towns were invited but only Miss Glenn came with her school of 45 from Astma. It is regretted that the storm kept the other kiddies away as the film was one that will do much good and never be forgotten by those who saw it.

An Appeal to the Butter-makers

Cardston, Feb. 23 1921

Dear Patron:—

We have secured a good local market for our Butter which is bringing a better price than could be obtained were we to export our product, and to hold this market, WE NEED YOUR CREAM. If we miss shipments we lose the trade, and as this is the scarce season of the year we are running short, and take this means of appealing to you to help us keep our market. Bring us your Cream, no matter how small the amount, because the holding of our present customers is of vital importance to you as a producer. CARDSTON CREAMERY ASS'N
