Harriston Correspondence.

TAX RATE.—The Council have levied a rate of 25 mills on the dollar on the assessment of the town for the present year. Although the rate is high, if it will provide funds enough to meet all liabilities we cannot be much reason for complaint, as they had to prepare to meet some debts left over from last year.

FOOTBALL.—On Thursday last a number of youngsters came from Port Elgin to test their ability in kicking shins and a ball with the kicking small bore of this town. As usual the Harriston boys came off victorious.

BAND CONCERT.—The newly organized Town Band gave a concert in the skating rink on Tuesday evening last. The citizens turned out in large numbers and spent a pleasant time. The band well deserves the support given them as they seem disposed to exist without constantly pestering the Council for a share of the corporation funds. In order to provide a good entertainment the managers obtained the assistance of the Drayton string band, which added considerably to the pleasure of the evening.

HOLIDAY.—A number of our citizens intend taking their holiday on Saturday next, and will join the railway picnickers in their excursion to Guelph.

SUDDEN DEATH.—A sad and sudden bereavement has befallen the family of Mr Jas. Lane, one of Minto's first settlers. The eldest daughter, Mrs S. E. Lane, a young woman of 28 years, complained of feeling unwell on Wednesday afternoon and thereafter, growing less. No alarm was felt during that time, but about noon on Thursday she became seriously ill. Medical aid was at once procured but of no avail, as she passed away that evening. Miss Lane was on account of her many fine qualities very highly esteemed, as was evidenced by the large concourse of people who followed her remains to their last resting place on Sunday, there being between 25 and 30 carriages in the procession, as well as some hundreds of people who walked to the burial place.

A WILD NIGHT.—This section of country was visited on Saturday night last by the most severe storm that has passed this way for a long time. About dark a heavy thunder storm passed over which continued, except at short intervals, until morning. The rain fell in torrents, the thunder loud and strong and the lightning extremely vivid. Fortunately no serious damage was done in this vicinity.

TOO MUCH ELECTRICITY.—During the storm on Saturday night the lightning struck a telegraph pole near T. Watson's sidework mills and from there or somewhere else followed the wire into the telegraph office, after which it did not appear particular where it went, as it scattered around the rooms in every direction, and then into the cellar setting fire to the flooring in its passage. However but little damage was done. Mr. Watson and family fortunately escaped without any injury further than being considerably alarmed, so much so that Tom's eyes stuck out and the lady relatives say they now all right—but his hair is still on end. Watson says it went through the house like lightning.

CHANGED HANDS.—Mr Allen has sold his livery business to Mr. Wray, from Elora, who takes possession to-day.

ENTERTAINMENT.—The members and friends of St. George's church, some time ago, in a picnic grove near by, one day last week. And the ladies of Guilkie's church are actively preparing for giving a grand vocal and instrumental concert in the town hall on the 24th inst.

A NUISANCE.—The residents of the east end of the town are much annoyed especially on Saturday nights by the abominable noise caused by a number of ignorant, half grown creatures, who would like to be called young men, who spend most of the night in having sport by raising around some poor drunken man, a subject that is not hard to find almost any night. If the authorities would either have the boys or men or both locked up, they would have the thanks of the civilized portion of the community.

A SOCIAL GATHERING.—Yesterday G. Bird, captain of the fire company requested the members of the company, to meet in the fireman's hall at 8 p. m. He also asked the members of the Town Council as well as a few others to drop into the hall at the same time as the company wished to see them. To the surprise of company, councillors, and others, upon entering the hall they found tables spread upon which were about a dozen of different kinds of fruit, with cheese biscuits, &c., in abundance. The invitations had been given in such a manner that each one did not know that his neighbor was to be there. However, matters were soon explained by which the visitors learned that captain Bird had himself quietly arranged to have a social gathering at his own expense. An hour was passed in eating the good things provided, after which Mayor Wilson was called to the chair and a couple of hours were spent in speech-making, singing &c. Mr. Bird, who has lately taken to himself a wife, came in for the congratulations of the whole company—as well as the firemen generally. A lively, pleasant evening was spent all enjoying themselves fully.

Elora Correspondence.

CATHOLIC PICNIC.—The managers of St. Mary's Church, Elora, held a picnic at Kinnettles on Wednesday last, in behalf of the funds of the Separate School, which was largely attended and in every respect an immense success. A contest between two young ladies for a beautiful cnain, dancing, refreshments, games and social intercourse made all go merry as a marriage bell, and brought in the dollars with pleasant rapidity. The proceeds amounted to more than $350, and exceeded the expectations of the promoters of the affair. A more pleasant gathering never assembled in Kinnettles woods, and all present hope to witness such another event next year.

DEATH OF MR. J. REUTER.—The death of Jacob Reuter, brewer, Salem, leaves a blank in that community which it will be difficult to fill. He was genial, open-hearted, open-hearted and charitable, and in every respect a good citizen. His long illness was borne with great fortitude, and his death is regretted by all who knew him.

PUBLIC HOLIDAY.—Elora held her civic holiday on Friday last, and as many left by the Kincardine excursion and other trains that during the day, the City of the Falls might well have been termed the Deserted Village. The excursionists spent blighty of the quick runs made to and from Kincardine, and were well pleased with all that they saw in Saltville. Kincardine is prospering, and the citizens gave our people a hearty welcome.

LACROSSE.—Stick and ball are in great repute with our young soldiers at the present encampment, and lacrosse has once more commenced, bat, cross, and ball. On Friday last the Elora club played against Kincardine and won the match by two games out of three, and yesterday the Orangeville club came here to play the Elora boys, and defeated them in three straight games. The Elora club offered a cup to be played for by the various clubs in the old county of Wellington, and present prospects are that Orangeville will become the happy possessor, as Elora and Fergus have been badly defeated, and Mount Forest, which possesses a good club however, stands a fair chance to follow suit.

ANOTHER PICNIC.—A number of the citizens of Orangeville availed themselves of their civic holiday and a cheap excursion to visit our rocks yesterday, and "do" the scenery in this locality. They expressed themselves as highly delighted with what they had seen, and said that it was expected that a monster picnic would be organized from Orangeville to Elora in about two weeks from this date.

OUR RIVER.—The magnificent scenery of this locality is beginning to be thoroughly appreciated by outsiders, and no day passes now without numerous visitors to the rocks. Hitherto the work of making known the attractive features of the Grand and Irvine rivers has been confined to very few, but now more general interest is being manifested by our hotel-keepers and others interested in making Elora a place of popular resort. There is a risk now that the thing may be overdone, and when we find a dancing platform erected for the convenience of pleasure seekers in the midst of God's handiwork in the river bottom, which is unsurpassed for its quiet and beauty by any other point in Ontario, the thought suggests itself that mistaken zeal has got the better of discretion and good judgment. "Punch and Judy," "Aunt Sally," "The fat woman," or a "Double-headed calf" would be as much in keeping with the surroundings as a dance stand. Stop your hands gentlemen, or you will have merry-go-rounds, swing-boats, and shooting galleries in full blast before you know it.

LEAVING.—Mr. Wm. Gerrie, who has been in this locality, and is well known to all resident in and about Elora, will start in a few days to a new home at New Westminster, B.C. His departure will be regretted by the neighborhood.

PROMPT.—The employees of Mr. Detsell, whose house was destroyed by fire last Wednesday, promptly turned out and erected a temporary habitation for himself and family. It is expected he will shortly commence operations for re-building his house.

THE CHAMPION.—Gloss-fated men are not scarce in the world, but their lines resolve not a hundred miles from Alma. Going to market not long since, he ordered a plug of tobacco and a darning needle, and did not see he was short of change he would pay for them on his way home. Returning the following day, went to the merchant for the plug, but was not asked for the darning needle. He, no doubt, forgot to charge it to his account. He takes the cake.

West Garafraxa Council.

The Council of the Township of West Garafraxa, met as per adjournment in C. F. McDonald's hotel, Douglas, on Monday, Wednesday the 19th of August, 1882. All the members present, the Reeve, Harvey Orr, Esq., in the chair. The minutes of last meeting were read, passed and adopted.

In answer to a communication received from the County of the County of West Luther, requesting this Council to supplement a grant of $400 made by the former to improve and repair the road in the townline between the two townships, the clerk was instructed to inform them that this Council is willing to allow the sum of about $300 unexpended of $400 granted by By-law No 115 to be used for that purpose.

The Council then proceeded to the north, and expended personally to urge on the Council the necessity of immediate action being taken to expend the $400 levied by By-law No 115 over the Irvine River opposite lot 25 Con. 5, as per resolution of Council of 25th May last.

The Council expressed their thanks to Mr. Duckworth for his very liberal offer towards the construction of said bridge, and promised to give assistance to give the matter their serious consideration.

The clerk was instructed to notify John Brock, David Green, Alex. Monfat and John Lyons, road overseers, to have the thistles cut immediately in their respective road divisions, and all road overseers in the township are particularly requested to attend to their duties as regards the suppression of the spreading of the Canadian thistles.

On motion by-law No. 120 levying the several rates on the township for the current year was introduced and read a first and second time and blanks filled in as follows:—2 3-10 mills in the $ for county rate, 7.10 mill for township rate, 1-10 mill for general school rate, 3-10 mill for improvement of roads and bridges, 2 mills for G. V. Railway rate, and 1 3-10 mills for Queen Surveissued 1860. Special School rates—No. 1 Sec. 2 3-10 mills in the $; No. 2 Sec. 3 7-10 mills; No. 3 Sec. 3 3-10 mills; No. 4 Sec. 3 3-10 mills; No. 6 Sec. 3 7-10 mills; No. 7 Sec. 5 mills; No. 9 Sec. 3 3-10 mills; No. 9 Sec. 3 7-10 mills; Union S. S. West Luther and West Garafraxa, 7 6-10 mills; Arthur and West Garafraxa, 6 7-10 mills.

Moved by Wm. McDermid, seconded by P. S. Martin, that the following sums be paid, viz: James Dyer, $2 80 for repairing bridge on 6th line opposite lot 30; Andrew Gerrie, $3.40, for 56 yards gravel; Thos. Boyle, $3, commutation of statute labor on west half of lot 5, con. 4; Duncan McFadgen, $9 for making culvert on townline between East and West Garafraxa; Andrew Lightbody, $5.55 for 6 months official postage; John Wilson, $1.50 for plank for repair bridge on 1st con., opposite lot 14; Alfred Howitt, Township Surveyor, $10 for examining and surveying and making sketch and profile of Concession road near Duckworth and Shortwood's farms; James Turnbull, $25, for repairing Con 7 and side road John Hill, clerk's $22 50, one quarter's salary and $15 for registration of 90 births, 7 marriages and 28 deaths, for half year ending 30th June last, Abraham Flewwelling, $10, for gravel, John Hanna, $1 25, for plank and repairing Douglas bridge, John Smellzer, $6, expenses as poundkeeper, Archibald McFaster, $16, for ditching on Townline between Peel and West Garafraxa, James Eye, $4 16 for 83 yards of gravel and $1 for surface damage and $15 for gravelling opposite lot 24, con 6, Harvey Orr, $8 for examining surveyor to and from Fergus station in connection with survey on concession road near Duckworth's farm — Carried.

Moved by P. S. Martin, seconded by William McDermid, That the sum of $90 be granted to open the road allowance on con. 1, opposite lots 30.—Carried.

The Council again deliberated on the expediency of erecting a bridge over Irvine River opposite lot 25, con. 5, and after each member had given full expression to his views in the matter, came to the conclusion, that having taken the present aspect of affairs, and the condition of the township generally into their serious consideration, it is not expedient that said bridge should be erected immediately, and that the said resolution be laid over in the meantime for further consideration.

Moved by Wm. Loutit, seconded by Alexander Stone, That this Council do now adjourn to meet again at Mills' hotel, Fergus and Douglas road, at 10 a. m. on Wednesday the 14th day of November next.—Carried.

Puslinch Council.

Pursuant to adjournment the Council met in the council room, Aberfoyle, Monday, August 28th, at 1 o'clock p. m. Members all present, the Reeve in the chair. The minutes of the last meeting were read and sustained.

The following accounts were passed and ordered to be paid, namely:—Account of John Robertson, $5 for gravel supplied to sideline between lots 30 and 31 in the 6th con., and at lot 30 in the 9th con.; the account of Hart & Co., Toronto, for blank estimates supplied to School Trustees.

Tenders for kalsomining and painting the township hall and council room were read, and on motion the tender of Charles W. Reynolds, of Guelph, was accepted.

The petition of Wm. G. Leslie and others was read and referred to the Road and Bridge Committee for that division.

On motion of Mr. McFarlane, seconded by Mr. Glennie, a by-law to tax the township for county, school and municipal purposes was introduced and read a first and second time.

The blanks of the By-law were filled by imposing a uniform rate of six mills in the dollar for County, School and Township purposes, with the following special rate to cover the respective estimates of Public School Trustees, that is to say—For Section No. 1 a rate of 4 9-10 mills in the $, the sum of $476; No. 2, 4 8-10 mills, $450; No. 3, 5 1-10 mills, $365; For Presbyterian Separate S. S. No. 5, 7 3-10 mills, $365; For School Section No. 7, 3 9-10 mill, $400; No. 5, 4 1-10 mills, $300; No. 6, 3 4-10 mills, $300; No. 7, 4 6-10 mills, $300; No. 8, 5 6-10 mills, $300; No. 9, 5 6-10 mills, $240; No. 10, 3 6-10 mills, $300; No. 11, 4 1-10 mills, $300; No. 12, 5 6-10 mills, $400.

On motion of Mr. Murdoch, seconded by Mr. McLean, the By-law was read a third time and passed.

On motion of Mr. Glennie, seconded by Mr. McLean, it was unanimously resolved, that the Reeve be, and is hereby authorized to draw his order in favour of the chairman of the building committee of the Provincial Exhibition at Guelph for two hundred dollars, the said committee in the onerous duties of providing suitable accommodation for the forthcoming Provincial Exhibition. The Council was instructed to notify George W. Leslie to remove his fence off the road allowance on side line between lots 28 and 29 in the 7th concession.

The Council adjourned to meet again on Monday, 1st October, at 1 o'clock p. m.

Farmers are a little down hearted after the storm of Saturday and Sunday last, at least those who had corn out, although a little rain was badly needed for the root crops.

Mr. T. Dunn, G. T. agent here, has just returned from a visit to England, where he has been for the benefit of his health. He looks greatly improved by the trip.

Our usually quiet little village is greatly disturbed over some very personal remarks which lately appeared in the "Peek-a-Boo" columns of the Toronto Evening *News*, and the question now eagerly asked is, "Who is the correspondent of the *News*? It would not be very healthy for him around here if he were once discovered.

There are four bicycles now around in town, and every evening they may be seen traversing our streets.

as a cough remedy.

"While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try AYER'S CHERRY PECTORAL.

"I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases. J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.

A HOME DRUGGIST

TESTIFIES.

Popularity at home is not always the best test of merit, but we point proudly to the fact that no other medicine has won for itself such universal approbation in its own city, state, and country, and among all people, as

Ayer's Sarsaparilla.

The following letter from one of our best-known Massachusetts Druggists should be of interest to every sufferer:—

RHEUMATISM. "Eight years ago I had an attack of Rheumatism, so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPARILLA, by the use of two bottles of which I was completely cured. Have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public. E. F. HARRIS."

River St., Buckland, Mass., May 13, 1882.

SALT RHEUM. GEORGE ANDREWS, overseer in the Lowell Carpet Corporation was for over twenty years before his removal to Lowell afflicted with Salt Rheum in its worst form. Its ulcerations actually covered more than half the surface of his body and limbs. He was entirely cured by AYER'S SARSAPARILLA. See certificate in Ayer's Almanac for 1883.
