THURSDAY, DECEMBER 4, 1884.

A CRAND KEYNOTE.

If the individual expression of opinion made at a recent meeting of the St. John Board of Trade by three gentleme prominent in business circles attracted great attention, the resolution adopted by the Board on Tuesday after a long and temperate discussion, by a vote of 16 to Finance Minister took extreme ground against the gentlemen who freely expressed themselves at the first meeting and challenged the Board to express its real views on the relations between this indeed, generally understood that the taken was as follows:-

Resolved, That this Board protest against the reports that have gone abroad that it has expressed views favorable to annexation to Further Resolved, That this Board continue

to press upon the government of this country the importance of every effort being made to promote reciprocal trade with the British and Spanish West Indies and the United

down, and by a vote of 16 to 9. There- The hard times of 1877 and 1878 were upon Mr. Simeon Jones moved, and Mr. due, according to this Tory organ, to Mac-George Stewart seconded, the following kenzie and Cartwright. Yet one would resolution, which was carried by a vote have imagined that if the effect of the

Whereas, The present trade between the Spanish West Indies and the Maritime Probetween the same, is a matter of vital importance to the Maritime Provinces; and Whereas, The abolition of the fisheries treaty between this country and the United States will probably shortly be brought about, and if abolished, our trade with the

Whereas, The time has arrived when, irres-

Resolved, That the Boards of Trade of the by the Maritime Provinces as may enable them to exercise more influence at Ottawa upon the course of legislation and executive action than hitherto we have been able to, express its opinion, it declares, irrespective of political parties, that since the union of these provinces the just expectations of the Maritime Provinces have not been realized, and dissatisfaction with the union has become a general sentiment among the people, who desire a remedy under, rather than against, the constitution, and whose loyalty to the crown and respect for the laws of the ONE OF HIS FALSE PREDICTIONS. country is the only reason why stronger and

his seat in Parliament. Among the gen- he told the people that if the Union shake off the rule of England, or else strongest supporters in the past. Through In view of the rate of increase in the his organ he challenged the Board of twenty years preceding the census of evening in the brilliantly lighted draw-Trade to express its true sentiments, and 1861 this was not a high estimate. That the calm and well-considered expression ing in the 21 years, for the census was when just upon midnight, when the hum of a body which the Minister has always taken in 1840 not in 1841, from 156,000 of conversation was at its highest, there his constituency, we have something very that is a little over 61 per cent, or say 58 they beheld near the door an old gentlehasty words which a speaker might utter If the increase of population had con- curl over the forehead, eye-glass in hand,
