

## Great Awakening.

(Continued from page three.)

become many and complex. Questions concerning rights and duties have arisen. Society is being self-consciousness, which is one of the most important in the progress of the race. We are beginning to see that society is an organism which lives one vast life, of which every man is a part. Now, if the limitations of space permitted, it could be shown that in their adaptation to the peculiar needs of our times, the social teachings of Jesus, which have been neglected for many centuries, are as close fitting as a glove.

There are multitudes in our churches who have read these teachings a thousand times without sensing their meaning. Even religious teachers have declared that the Sermon on the Mount was not practicable, and therefore could not be applied to modern society. There are many who call Christ Lord, but do not the things which he says.

What truths are better calculated to arouse the sleeping conscience awake men to the fact that God is really in men's everyday lives, measuring their acts by his immutable standards, and preparing to call them to account, than precisely these social teachings of Jesus which are so exactly adapted to the times, and which are so commonly neglected?

God is the greatest fact, the greatest reality in the universe. And for a life to take no account of this greatest of all possible blunders. How can men be made to see this, if not by showing them that the great social disorders of the day are due to the disregard of the social teachings of the New Testament?

It is not proposed to make a religion out of man's obligations to his fellows, to put love for man in the place of love to God. It is, however, both reasonable and scriptural to test the one by the other. "If a man say I love God and hateth his brother, he is a liar; for he that loveth not his brother, whom he hath seen, how can he love God, whom he hath not seen?"

If there are men whose lives are a lie because they profess to love God and show none to their fellow men, how can such men be more easily convicted at the bar of their own conscience than by testing their relations to God, not by their professions, but by their known relations to their fellow-men—the matter being judged, not by popular standards, but by the social teachings of Jesus?

There is every reason to believe that when these teachings are clearly apprehended and faithfully proclaimed, the great spiritual awakening of the 20th century will come.

## Invigorating Syrup

IS THE BEST PHYSIC I can get. I am 84 years of age and have used your SYRUP as a physic for the last ten years and have never been able to obtain anything that acts so well. My business that of a shoemaker, inclines me to costiveness and I have to use your SYRUP constantly as a physic taking just a little every night and morning.

I consider it the BEST because its gentle in its action, causing no griping or pain and may be taken constantly without producing any evil effects, such as piles, irregularities of the bowels, etc.

I have great pleasure in recommending it to all as I believe it has had a part in prolonging my life.

Yours sincerely,  
MOSES YOUNG.

## PALE YOUNG GIRLS.

### HOW They May Gain Bright Eyes and Rosy Cheeks.

The Story of a Young Girl Who Suffered from Headaches, Dizziness and Fainting Spells—Her Health Became so Bad That She Was Forced to Give up School.

Miss Catherine McLellan is a young lady well known in Charlottetown, P. E. I., and is greatly esteemed among her acquaintances. Like so many other young ladies throughout the land, Miss McLellan fell a victim to anaemia, or poverty of blood, and although several medicines were tried, she found nothing to help her until she began using Dr. Williams' Pink Pills for Pale People. Miss McLellan tells the story as follows:—"I am now eighteen years of age, and for a considerable time suffered from anaemia. My blood had almost turned to water, and I was very weak and pale; in fact could not undergo the least exertion. My appetite failed me; I suffered from headaches; if I stooped I would become dizzy, and frequently I suffered from fainting spells. I tried several kinds of medicine and doctors prescribed for me, but instead of getting better I was gradually growing weaker, and eventually had to discontinue going to school. About this time I read the testimonial of a girl whose condition was similar to mine, who had been cured by Dr. Williams' Pink Pills. I then decided to try these pills, and have every reason to be gratified that I did so, and as they have completely restored my health. Every one of the symptoms that had made my life so miserable have disappeared, and I am now enjoying as good health as any girl of my age could wish, and I shall always have a good word to say for Dr. Williams' Pink Pills."

Miss McLellan further stated that while she was not desirous of publicity in matters of this kind, she nevertheless felt that her experience, if known might be the means of bringing health to some other sufferer, and it is this very praiseworthy motive that has induced her to give the above statement for publication.

Dr. Williams' Pink Pills make rich, red blood, and give tone to the nerves. It is because of this that they bring bright eyes, rosy cheeks and light footsteps to girls who have been weary, pale and listless and had begun to feel that life was a burden. Pale and anaemic girls everywhere should give these pills a fair trial, as they are certain to restore health and strength. See that the full name "Dr. Williams' Pink Pills for Pale People" is on the wrapper around every box. Sold by all dealers or sent postpaid at 50c. a box, or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

**DIGESTION WITHOUT A STOMACH**  
The fact that people live and digest food after the stomach has been removed proves that the important part of digestion takes place in the intestines. Hence it comes that Dr. Chase's Kidney Liver Pills are so wonderfully successful in curing chronic indigestion and dyspepsia. They act directly on the kidneys, liver and intestines, making them healthy, active and vigorous and so insure perfect digestion and prompt removal of poisonous waste matter.

Dr. Chase's Nerve Food is above all a woman's medicine because it helps her safely through this trying period. It enriches the blood, strengthens the nerves, regulates the functions of the feminine organs and tones and invigorates the whole body.

EVERY BRINGS RELIEF.

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The Rev. C. F. WELLS, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had over-spoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full sized bottle."

Rev. Dr. Morris Wechsler,

Rabbi of the Cong. Bnai Israel.

New York, Jan. 3, 1901.

DRS. TAFT BROS., MEDICINE CO.,

Gentlemen: Your Asthmalene is an excellent remedy for Asthma and Hay Fever, and its composition alleviates all troubles which combine with Asthma. Its success is astonishing and wonderful.

AVON SPRING, N. Y., Feb. 1, 1901.

DR. TAFT BROS. MEDICINE CO.  
Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 130th street, New York. I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.

Yours respectfully,

O. D. PHELPS, M. D.

DR. TAFT BROS. MEDICINE CO.
