

## The WHIRL of the TOWN

Rev. George E. Fisher, Dalhousie, has resigned his charge, on account of ill health, and is going to California. The resignation was accepted at a meeting of Presbytery on Monday, Nov. 3.

Mr. Connelly of the firm of Clark and Connelly who had the contract of the pipe laying entertained a number of friends at the Waverley last Thursday night. A very enjoyable time was spent.

St. Andrew's Church Holy Communion, 8 o'clock; Evening Prayer and Sermon, 7 o'clock. St. Mark's Nelson, 11 o'clock. Rev. H. A. Meek, rector of Richibucto, will officiate next Sabbath.

A good one is told of a certain man engaged in trimming trees around the town last week. He got a limb and with a saw cut it off between the tree and himself and great was the fall thereof. The man was not seriously hurt.

The nomination of J. C. Smallwood for treasurer is a distinct recognition of organized labor by the Republican party. Mr. Smallwood having been endorsed for the position by the Trades and Labor Assembly. Mr. Smallwood is well known as an energetic young business man, fully capable and trust-worthy. He is employed as manager of the grocery department of Henry J. Cohen's big store. Mr. Smallwood is a Newcastle boy and his many friends here wish him success.

There was quite a display of hunting in town Sunday Nov. 9th, the King's birthday.

The dances in the Mechanic's Institute are discontinued for the present. There will be none this evening.

In St. Andrew's Church the National anthem was sung in honor of the King's birthday.

The annual meeting of the almshouse commissioners was held in the Almshouse, Chatham, yesterday.

The S. S. Larne Capt. Ferris took part of a load cargo of deals from Mr. Hickson's wharf. The Larne is the largest steamer that has come to the Miramichi this year.

W. J. Miller of Chatham has purchased the stock of Horowich estate with fixtures in the two stores in the Elkin block, Chatham. The land-lord's claim for rent of \$807 under a lease of two years was settled for \$231 which after the expenses have been deducted, leaves very little for the creditors.

Miss Lucy LeFurgy and Miss M. Josephine Comstock will give one of their entertaining concerts in the Temperance Hall, Friday evening Nov. 21st, under the auspices of the Harbina Academy. Miss LeFurgy being a native of our country and so well known as our only reader of note, needs little introduction to our town. Miss Comstock is a well known contralto both throughout the United States and Europe, having travelled in both countries as Contralto Soloist of the famous Lady Quartette.

A Miramichi man writes from Halifax to The World of Mr. Max Aitken's remarkable success as the J. Pierpont Morgan of Nova Scotia finance.

Our old friend, W. Max Aitken, of Newcastle, is associated here with John E. Stairs, President of the Nova Scotia Steel Company, and has not only been an assistant to Mr. Stairs in his companies but he has, of his own hand, organized the Robb Engineering Company, Ltd. The Robb Engineering Works Co., and the Robb Munroe Boiler Co., and has brought about the amalgamation of the Union Bank of Halifax and the Commercial Bank of Montreal, besides doing a good part of the work in organizing the Trinidad Electric Street Railway Co. Add to this he has been placed on several important directorates. He has not, however, forgotten the Miramichi and in the Robb Engineering Works at Amherst he has placed five or six Miramichi boys. Any one from Northumberland feels Max at his service.—World.

JOHN ROBINSON, Sr.

Dies at His Home Late Tuesday Evening.

The many friends of Mr. John Robinson, Sr., will regret to learn of his death which took place at his home on Tuesday evening, Nov. 11th. The deceased had been ill for some time and his death was not unexpected. Mr. Robinson was for some years in the employ of Harden & Co., and later with D. & J. Ritchie & Co., with which firm he worked up to the time of his taking ill. Deceased was seventy-nine years of age and leaves a widow, five sons and two daughters to mourn the loss of an affectionate husband and father.

The funeral last Thursday from his late residence was largely attended, interment being in St. James' cemetery, under Orange Junior, the members of the No. 3000, L. O. E., with their band being present in regalia.

Hickson's mill finished sawing for the season last Thursday.

The funeral of Mr. Geo. Johnston took place from the residence of nephew Mr. Wm. Gifford last Wednesday afternoon and was very largely attended. Interment was in the St. James' cemetery.

A large bull moose came out to Millerton on Sunday and appeared in the vicinity of the Methodist church. He surveyed the landscape and then proceeded to cross the river. He had a nice head.

John Stewart, of Guy, Bevan & Co. and R. A. & J. Stewart, who once did a lumber business in Chatham, died at his home in Ottawa last Wednesday, aged 58. They occupied the stone building that was torn down to make room for the new post office in Chatham.

**HARRISBURG HUNTER BAGS A MOOSE.**

Mr. J. K. Johnstone Home from a Successful Hunting trip in New Brunswick, Canada—Had Splendid Sport.

Mr. J. K. Johnstone, of Harrisburg, and Mr. S. B. Wallace, of Huntingdon, have just returned from a successful hunting trip to New Brunswick, Canada, each having killed a large bull moose and caribou. One of these gentlemen stated that it was one of the most successful hunting trips of his life and has advised his friends to engage his guides for a similar trip next season.

The arrangements for the trip were made through Mr. John Robinson, chief game warden of Newcastle, N. B., an efficient and most accommodating officer. The guides, Edwin and John White, of Sillikers post-office, Southesk, N. B., with their camp equipment, teams and saddle horses, met the gentlemen at Fortuna, the head of the settlement northwest of Newcastle. From this point they traveled sixty miles to the headwaters of Gasque Lake on the north branch of the Little Southwest Miramichi river, one of the best moose and caribou grounds in Canada, and over one of the roughest and most indescribable lumber roads in existence, to an ideal hunter's camp, owned by the White brothers. The surrounding country at the camp is an ideal one for sportsmen. Chains of small lakes entirely surrounded by spruce, fir and maple the finest trout and salmon streams and caribou plains abound. The experience of moose calling, stalking caribou, shooting pheasants and the camp life, are well worth the arduous trip on saddle horses from the head of the settlement.

A large caribou was killed the second day in camp, followed by the two bull moose a week later. The guides, Edwin and John White, are undoubtedly the most successful moose callers in the region. The camp cook, Allan Metcalf, is one of the most experienced and efficient men on the Miramichi and should be engaged with the White boys by any one contemplating a trip into that territory next season. Harrisburg Independent.

## WHAT WILL I HAVE FOR BREAKFAST.

Is a daily worry to some cooks. There is no need of a moments thought over this matter with so many breakfast foods on the market.

Grape Nuts, Malta Vita, Force, Flaked Rice, Malt Breakfast Food and Tilson's Rolled Oats are a few of the foods, and can be prepared in a very few minutes.

Try Malta Vita with a little cream. It is simply delicious.

**GEO. STABLES.**

**MRS. S. A. DEMERS' GRAND CLEARING SALE**

F. E. Danville and R. A. Snowball were registered at the Waverley Monday.

Miss Tessie Sisk who was home visiting her parents Mr. and Mrs. D. P. Sisk of Grand Anse, returned to Portland to resume her official duties.

**MR. ANGUS KENNY.**

A Bathurst Village man who is interested in Minerals.

Mr. Angus Kenny of Bathurst Village has a collection of minerals all of which he has picked up in the vicinity of Bathurst and many of them have been pronounced by experts as very valuable. One sample of surface ore tested \$25 to the ton.

He has also five samples of Manganese, both bog and crystal of which he states there are unlimited quantities within easy access of shipment.

He has also discovered a lead seam of coal which he is following up and expects to be able to report a large quantity of good quality.

We have been handed a number of samples which are rich in iron, copper, silver, and graphite.

Mr. Kenny is an interesting talker on the question of mining and his samples are worth looking over.

Baby's cold may be cured in a night by using Vapo-Cresolene, which has been extensively used for twenty-four years. All druggists.

## Prescriptions Filled Here

Will not vary a fraction of a grain from the quantity called for.

Accuracy in the compounding of

**MEDICINES**

is one of our strong points. Added to this is the absolute purity and undoubted freshness of every drug used. We replenish our stock frequently and use or sell nothing which has become inefficient through age.

Our stock of Patent Medicines is fresh and complete.

**NEWCASTLE DRUG STORE.**
