It contained the exhibits of the Canadian Pacific Railway and sporting trophies loaned by New Brunswick and the western provinces of Canada.

CHEAP FARES TO TORONTO EXHIBITION.

A trip to Toronto about the last week in August or the first week in September is bound to be most enjoyable, and all the more so if made during the time of the Canadian Exhibition, which is the largest annual fair held anywhere on this continent.

The dates of the Exhibition this year from August 27th until 12th, and for a period extending over this time the Intercolonial Railway announce a series of special fares that ought to prove attractive to those who are contemplating a trip to the "Queen City." Round trip tickets at first class one way fare, will be issued on August 25th, 27th, 29th, 30th, and 31st, and on Sept. 7th and 8th, good for return September 14th. Fares still more reasonable will prevail on August 29th and September 6th, these tickets being also good for return on September 4th.

Those travelling by the Intercolonial will be enabled to reach Toronto by the shortest and most comfortable route from the Maritime Provinces. The Ocean Limited, which arrives in Montreal at 7.35 a. m., connects at Bonaventure Union Depot with the Grand Trunk International Limited which leaving Montreal at 9.00 a. m., arrives in Toronto at 5.30 p. m., thus saving hours of time. The Maritime Express, arriving in Montreal at 6.30 p. m., makes connection with the night expresses of the Grand Trunk Railway, arriving in Toronto early the following morning. The opportunity is thus given for a most enjoyable trip at rates that are very reasonable. Traffic is always much increased during this period, and those who have this trip in mind will do well to apply early for sleeping car reservations. Aug. 17-2 is

ST. JOHN PAVING
BEFORE COUNCIL

St. John, Aug. 17.—A stormy session of the common council was held this morning, beginning at 10 o'clock, when the disclosures made in Main Street yesterday were reviewed and the subsequent course of action considered. A committee consisting of Mayor Frink, Alds. Jones, White, Hayes and Holder were appointed to take sworn evidence under the act and to make what enquiries they considered necessary, and if they thought best to have a further section of the pavement torn up at the city's expense. Although there was much discussion at the meeting the last two hours few further decisions of any importance were arrived at.
