Subscribe for the Advocate**Prince of Wales a Canadian Rancher**

This photograph of the Prince was taken on his first visit to the Dominion. To the left is seen a picture of his ranch, and above it is an interior view of one of the suites aboard the Empress of France, bottom right.

HIS Royal Highness the Prince of Wales will for a month or so become a simple Canadian rancher. That he will travel incognito on his coming to Canada does not mean that he will travel in disguise but that he will not take part in official functions or make official visits, and when approached with regard to his stay in the Canadian Dominion he has always stated that his time will be fully taken up by the affairs of the E. P. ranch.

The Prince of Wales exhibits a deep and marked interest in the ranch he purchased near Calgary on his memorable tour of the Dominion, and his desire to visit it is but a fresh indication of the importance he attaches to it and the work it is doing. Immediately after purchasing the ranch, and before returning to England, the Prince made arrangements for the shipment of some of the best stock in the British Isles to the Canadian West. Thoroughbred horses came from the Royal stud, short-horn from the King's farm, shropshire sheep from the Duke of Westminster's estate, and hardy Dartmoor ponies from the Devon moors. The most imposing collection of a thoroughbred stallion and four mares, the finest obtainable in the British Isles, "Will Somers", which heads the stud at the E. P. ranch is a handsome five year old which at three years was the winner of several English classics.

Thus the Prince has demonstrated that his purchase of the ranch was not a matter of sentiment or commercial profit, but a genuine desire to foster the breeding of better livestock in the West. His efforts have been eminently successful. At all provincial exhibitions the animals from the High river ranch are attractive features, and last Fall, shorthorn cattle, constituting the first commercial sales the ranch has effected, commanded top prices.

Cattle from the E. P. exhibited at the stock show at the Calgary Stampede were heavy prize winners, and sheep and horses from the same ranch created an unparalleled standard.

The Royal rancher has planned to arrive at Quebec on September 12th on the Canadian Pacific steamship "Empress of France". The palatial liner, 18,000 tons, which was the flag ship of the 10th Cruiser Squadron on Northern patrol duty during the War is the most up-to-date vessel of its type and is most suited to the accommodation of its distinguished passenger. Reconditioned after the war, this ship is one of the most magnificent yet comfortable vessels in trans-Atlantic service. It holds the record for oil. Its large and comfortable suites and cabins, spacious promenade decks, numerous and excellently appointed public rooms and service facilities make the Empress one of the most popular ships in the Canadian Pacific fleet.

WEDDINGS**McMURRAY-CONDON**

St. Mary's Church was the scene of a quiet but pretty wedding this morning when Rev. P.W. Dixon united in marriage Miss Mayme Condon, daughter of Mr. and Mrs. Wm. Condon of Newcastle and Mr. Andrew McMurray of Ferry Road. The Church was most tastefully decorated for the occasion.

The bride was becomingly gowned in a travelling suit of navy blue tricot with hat to match and wore a grey squirrel choker. She carried a shower bouquet of pink and white carnations, and maiden hair fern. She was attended by Miss Clare Bernard who wore a navy blue serge suit with georgette hat and mink choker and carried a bouquet of pink and white sweet peas. Mr. Charles McLaughlin acted as best man.

After the wedding a dainty breakfast was served at the bride's home to immediate relatives and friends, after which the happy couple left on the eleven o'clock train for Bangor and other American cities.

Numerous gifts testified to the high esteem in which the young couple were held. Among these were a chest of silver from the Lounsbury Co. with whom the groom is a valued employee and a cheque from the J.D. Creaghan Co. where the bride was employed on the clerical staff.

The groom's present to the bride was a substantial cheque; to the bridesmaid a pearl rosary; and to the organist a gold piece.

The Advocate joins with numerous friends in wishing the popular young couple a long and happy wedded life.
