Was Terribly Afflicted With Lame Back.

Could Not Sweep The Floor.

It is hard to do house work with a weak and aching back. Backache comes from sick kidneys, and what a lot of trouble and worry it causes. But they can't help it. If more work is put on them than they can stand it is not to be wondered that they get out of order.

Doan's Kidney Pills are a specific for lame, weak or aching backs and for all kidney troubles.

Mrs. Napoleon Larmour Smith's Falls, Ont., writes: "I take pleasure in writing you stating the benefit I have received by using Doan's Kidney Pills. About a year ago I was terribly afflicted with lame back, and was so bad I could not even sweep my own floor. I was advised to try Doan's Kidney Pills, which I did, and with the greatest benefit. I only used three boxes and I am as well as ever. I highly recommend these pills to any sufferer from lame back and kidney trouble."

Doan's Kidney Pills are 50 cents per box or 3 for \$1.25, at all dealers or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

June 3rd, birthday of King George, and June 22nd, Coronation Day, will be proclaimed as statutory or legal holidays in Canada.

At Quebec on Sunday last, Robert de Graffen, a sailor, the Chief Clerk, an officer on the Government steamer Princeps, was drowned in Louis Basin.

The holy oils for this diocese were consecrated at Halifax by the Archbishop. Rev. Dr. McLellan was present and brought over the oils with him when he returned on Good Friday.

The Spanish steamer San Fernando, bound from Havana to Liverpool, sank off Finisterre, the westernmost headland of Spain. Twenty-one persons were drowned.

The town of Big Heart, Okla., has been blown away by a tornado. All the wires are down and details are unobtainable. Topeka, Kansas, a tornado travelling in the same direction, destroyed the town of Whiting, 15 miles north of Topeka. 60 houses were blown down.

Captain Harbour, of the abandoned steamer Harlow, walked ten miles over the ice from St. Paul's Island to the mainland, and, after a long and arduous journey, was rescued by a party of the Bonaventure force.

Through the ice until she got near enough to St. Paul's Island to take off the crew of 14 men who for five days had anxiously waited succor.

In consequence of the disagreeable weather on Saturday, the Easter market was not so large as otherwise would have been the case. The supply of beef by the leading firms however was fully up to the standard of former years.

Beef in the market retailed at 14 to 20c, eggs 17c, butter 24 to 26c, lard \$1.25 to \$1.50 per cask.

An itinerant window cleaner in Montreal, whose traveling operations in course of the last four weeks have cost a score of residents in an exclusive section of Upper East and West Side, thousands of dollars worth of jewelry, is being sought by the police as one of the most successful and dangerous lones robbers in that city.

A charter has been granted a company with a capital of \$10,000,000 for a ship-building plant on Sydney Harbor. Sir Henry Peljelt of Toronto, Lieutenant Governor J. M. Gibson, Charles B. B. of Clyde Bank, Scotland, A. E. Greig, of the Fairfield Ship Co., and A. C. Rose, of Sydney, are the incorporators. The company will carry on business under the name of the British Canadian Ship-building and Dock Co.

A force of 30 men and a maxim gun from the British man-of-war Shearwater, were landed at San Quintin, Mexico, to protect the town against a threatened attack of the insurgents. The revolutionary movement did not, however, materialize, and British were withdrawn. This is the first actual fighting of foreign forces on Mexican soil in connection with the present revolution.

With a paper loss of \$8,000,000 to \$10,000,000, and with chances that under the most favorable conditions they will realize during the coming cold storage season their actual cash loss will amount to \$5,000,000 or \$6,000,000, the butter and oleomargarine dealers of the United States are closing the ledger on the most disastrous year of their appearance, so say Chicago advices.

SHE HAD CONSUMPTION.

Dr. Wood's Norway Pine Syrup Cured Her.

Weighted 135 Pounds—Now Weighs 172.

Mrs. Charles McDermott, Bathurst, N.B., writes: "I thought I would write and let you know the benefit I have received through the use of Dr. Wood's Norway Pine Syrup. Three years ago I had consumption. I had three doctors attending me and they were very much alarmed about my condition. I was so weak and miserable I could not do my housework. While looking through your B.B.B. Almanac I saw that Dr. Wood's Norway Pine Syrup was good for weak lungs, so I got a bottle at the drug store and after taking ten bottles I was completely cured. At that time I weighed 135 pounds and now weigh 172, a gain of 37 pounds in three years. I now keep it in the house all the time and would not be without it for anything, as I owe my life to it."

Dr. Wood's Norway Pine Syrup contains the lung healing virtues of the Norway pine tree, which, combined with other absorbent, expectorant and soothing ingredients, makes it without a doubt the best remedy for coughs, colds, bronchitis and all throat and lung troubles.

Price 25 cents at all dealers of druggists. The remedy is manufactured by the T. Millburn Co., Limited, Toronto, Ont.

To Be Well Dressed at a Reasonable Cost

Let Us Make Your Suit!

Have you been giving your money away to a poor tailor for clothes that did not satisfy you? Or worse still have you, thinking you were saving two or three dollars on your suit, paid your good money for a "Ready-Made"—a suit that stays good only until you wear it, and instead of adding to your appearance, will by its bad fitting qualities make you appear poorly dressed. Have you ever thought that a "Ready-Made" was the most expensive suit you could buy? Do you know that one good Tailor-Made Suit at \$20.00 to \$25.00 will outwear any two Ready-Made at \$15.00, and that the made-to-order suit will hold its shape and its good looks until the cloth is worn out, while a Ready Made will only look good for a short time. Isn't it cheaper for you to invest \$25.00 for a good suit once a year, than to invest \$15.00 for a poor one, twice in that period? You will agree with us in that, won't you? Then our proposition is this: We keep a stock of all the best cloths made—we have Worsteds, we have Tweeds, in all the leading shades; we have Serges and Venucias in blue and black—in fact we have everything that's made for men's clothes. We have expert cutters, men who have spent years in studying the art of designing men's clothes, and we have a staff of workmen trained in every branch of the trade, men who put into a job work of the highest order.

You can select a suit at any price from \$18.00 to \$30.00. We will make it to your individual measure, we will put the best of trimmings into it, and we give you good style and the best of workmanship. In short, your money is not ours until you are satisfied with the suit in every particular.

Don't you think it will pay you to leave your order with us?
