## VARIAN JAMAN VORT THE HURON SIGNAL, FRIDAY, MAY 6, 1887.

## Household Hints.

Hot water is the best thing that can be used to heat a sprain or bruise.

week for preaching Christianity, you will The rooms of a house need ventilation in the daytime, as well as the night ; in the winter as well as the summer. perceive that he never worries a bit be-

A little ammonia and borax in the water when washing blankets keeps the flannel soft and prevents shrinking. Burning coke in the kitchen and laun

dry stoves saves many a big coal bill and makes a better fire for such purposes

Castors made of leather are a ne invention, sure to prove useful. A solid leather castor will save many a rug or pit as he is on the stump. carpet.

FRISD TRIPE. - Roll the boiled tripe, cut in squares, put in erg, then in cracker crumbs, and fry to a nice brown. Serve with catsup.

Housekeepers should not fail to keep a bushel or two of charcoal in the house with which to make a bed of corls for broiling. Try it and see the difference it will make in your steak or chicken or

A simple remedy for neuralgia is to the bad? apply grated horse-radish, prepared the same as for table use, to the temple when it the face or head is affected, or to the wrist when the pain is in the arm or

done, steaming them in a covered dish to in three years: a state election costs improves them very much.

A NICE WAY TO COOK CHICKEN. - Cut up the chickens, put in a pan, cover with water and let stew as usual. When ready a nice short cake, baked and cut in squares. Lay the squares on a dish and pour the chicken and gravy over them while hot.

DRIED APPLE CAKE .- Two cups of sweet dried apples, soak over night and | at the knee and utterly bursted as to the chop ; two cups of molasses, and let it dome for the poor; the dancing lady gets simmer over two hours; when cold add \$;00 a week, and the city missionary one cup of sugar, two eggs, one-half cup of sour cream, sour milk and butter, two gets \$600 a year; the horse race scoops in Two \$3,000 the first day, and the church fair teaspoonfuls of soda, four cups of flour, 

soaked in cold water until soft. Add four quarts of scalded milk. Sweeten to self sneering or scoffing, because, once taste, and add a little salt. Let it cool, in a while, you hear a preacher getting a and when ready to put in the oven, turn in three well-beaten eggs, but do not living, or even a luxurious salary, or a stir the mixture when you put the eggs temperance worker making money, go in. Bake three-quarters of an hour. Flavor to taste. Tapioca, same as sago, only use five eggs.

Cushions for piazza steps can be su cheaply and easily made and are so comfartable and luxurious, that when once cost the old boy, and when the money it made and tried, one will never be will. does give is flung into his free, like a ing to be without them again. They protect one's clothes from possible dust, They bone to a dog, the donor is not benefited and make nice seats when piled on the by the gift and the receiver is not and grass, and can be used in hammocks, and cortainly should not be grateful. are nice at all times for little children to

lell over both indoors and out. They "They have a larger sale in my discan be made of old or new stuff, plain or elaborate, as one pleases. We made the cases of bed ticking. They were made the best satisfaction for sick headache, twenty four inches long and twenty-four biloiousness, indigestion, etc., and when inches wide. They were stitched up on combined with Johnston's Tonic Bitters, the machine, and one end was left open for the stuffing. We stuffed them with for what no other medicine has done layers of straw, which was packed in very everly, and over the straw next to the top we put two or three layers cut from an old bed comfort, then sewed up the opening very firmly. For covers for the opening very firmly. For covers for we used for the bottoms heavy thes cloth cut from old pautaloons; for the tops figured canton flannels of rich col-Only Related by Marriage. ors, blue brown and cardinal. The It was at a ball, and he had just come edges were finished with heavy cord, from the East. He had been introduced large tassels were placed at the corners to a lovely creature. He told me what and a strong loop was sewed securely on one side to lift them by. The handsom she wore. He was one of those fellows est cushion covers we have are made a la who know what ladies wear. It was a crazy, of pieces of rich, heavy brocaded sky-blue tunic, trimmed with green lace stuff from an upholsterer's shop. The bottoms of these were made of oil cloth and embroidered in gold, with a skirt of such as are used for table comers. Four Valenciennes linsey-wolsey -- or somecushions are not to many for one piazza thing like that ; I don't remember. He Make one and you'll soon find yourself had caught her name in introduction as making more.
