The EASTERN TRUST COMPANY

WE GO ON FOREVER.

Just two reasons why the Eastern Trust Company can ad-
minister an Estate better than a personal executor or ad-
ministrator.

1.—It has nearly twenty-four years' experience, and its ex-
istence is perpetual, neither does it cost any more to employ
the Company than an individual. The Company affords the
Estate absolute security. It has a paid-up capital of \$1,000,000.00
and a reserve of \$250,000.00. The Estates held in trust to De-
cember 31st, 1915, amount to \$18,036,883.35.

2.—In the event of the death of a personal executor or ad-
ministrator, your Estate must look around for a substitute. The
new administrator is unfamiliar with the business and confusion
is often the result. The death of any officer of this Company
does not break the continuity of the policy of administration.

While the Company administers over Fifteen Million Dol-
lars worth of Estates, it also does a very large business in
executing Trusts of all kinds and acting as Financial Agents of
all descriptions. We can give fullest satisfaction in the col-
lection of rents, interests, mortgages, dividends, etc.

Full information cheerfully given and all communications
treated as absolutely confidential. CALL OR WRITE.
