**B.S. WIN IN EXCITING FOOTER GAME.**

In one of the most exciting contests for the season, the B.S., last evening, defeated the C.E.I. by 3 goals to nil. One of the largest gatherings of spectators ever present at a football match saw last night's game, and enthusiastically applauded their respective teams. The composition of the B.S. forward line was excellent and every scoring opportunity was fully availed of. There was a cohesion between the Irish forwards, which was very effective. Fred Brian played a steady game throughout and got in some useful work, whilst the Phelans all showed fine form.

The C.E.I. played a good, hard game, but were slow in making use of their goal getting opportunities. Their defence work was excellent, particularly in particular, putting up a game. Nix Hunt was greatly commended for the forward line. The B.S. won the toss and kicked the eastern goal, playing for the first half against a strong breeze. They kicked from the start, but the ball was quickly returned by the C.E.I. who kept it in their opponent's territory for some time. The defence work of both teams was excellent and halftime no scoring had resulted. In the second half the B.S. tried hard and within a few minutes, E. Phelan had scored from a mix up play from this on was very fast and efficient combination was seen, but scoring was done until near the end, when from a beautiful pass by Phelan on the right wing, Harry Phelan scored one of the nicest goals in this year's League series. No other scoring was done during the game despite the efforts of both teams.

The following was the lineup:—  
B.S.—Goal, J. Phelan; backs, J. Higgins, P. Constantine; halves, F. Phelan, W. Burke, C. Fox, forwards, A. Phelan, H. Phelan, W. Callahan, E. Phelan and F. Phelan.  
C.E.I.—Goal, Smith; backs, M. Archill, J. Hussey; halves, S. Stick, G. Evans; forwards, A. Hamond, R. Stick, G. Adams, S. Winsor and J. Bartlett.
