

### LOW MARGINS.

On all trades executed by us we can now offer the minimum margin requirements to our clients. For instance, C. P. R. formerly traded at 20 points, can now be bought on \$10 per share; General Motors and Middle States Oil at \$3; Studebaker at \$10 instead of \$12, and all high grade stocks accordingly.

We strongly suggest the purchase of high-class listed issues, believing these will more quickly respond in the coming rising market.
