IN THE REALMS of SPORT

FOOTBALL SEASON OPENS.

A good attendance and a fine exhibition of football, marked the opening of the 1925 football season at St. George's Field last night. The contesting teams were the Guards, (last year's champions) and the Star, the former team emerging by a score of 2 goals to nil.

The season was declared officially opened at 7.30, when Hon. W. J. Higgins, K.C., the President of the League, kicked off the ball. The evening was an ideal one for football, there being scarcely a breath of wind, although the atmosphere was a bit cool for the spectators.

The ball was kicked west by the Guards only to be repulsed by Barney Hart, who sent the sphere to mid-field. Both forwards then made several end-to-end runs, but without success. The backs of the opposing teams cleared their lines well, and very little was left for the goalkeepers to handle. Play gradually waxed warm, while the spectators grew quite interested, and were satisfied with the excellence of the exhibition. Meadus of the Guards, made a pretty individual run along the right wing, after ten minutes of play. He sent across a well directed shot, but the ball grazed the crossbar. After this play was all over the field, with no noticeable difference between the two teams. Toward the end of the period the Star boys pressed hard and gained a couple of corners, but the Guards set up a solid defence and frustrated their efforts from scoring. The whistle sounded without any scoring.

2nd Half

Upon resumption of play the Star confined the ball to their opponent's territory, for several minutes, and made desperate efforts to score. "Bill" Hart and Flynn placed the ball well to their forwards, which resulted only in the securing of a few corners. On each occasion the ball was nicely placed to the goal mouth, but the players seemed to lack the experience to send the ball through. In one of the onslaughts on the Guards goal, some pretty hard work was witnessed. Halfyard then drove the piskin out of harm's way and saw the Guards forwards wage a determined attack on their opponent's goal. Quick and Macklin each paid a visit on Power, who cleared well, and saw Squires making a pretty drive up field. The leather did not remain long in the Guards territory, however, before Parsons had taken control, and sent the ball to Meadus on the right. The latter player availed of a good opportunity by placing a beautiful shot from outside of the goal area, which found its way underneath the crossbar into the net, scoring first blood for the Guards, after ten minutes of play. Upon the ball being re-centred, the Star forwards rushed matters, and found the Guards halves kept busy keeping their opponents in check. Jack Tizzard, who was making his first appearance in Senior League company, playing centre half for the Guards, was playing up well and proved a great addition to that team. Thirteen minutes after the opening goal had been scored, Tizzard got in some fine work near mid-field, which ended in Rose scoring the second goal, on a pass from Parsons on the right. During the balance of play both teams exerted every effort to bulge the twines. The Star boys, in particular, tried hard, but nothing resulted.

The game was noticeable for its clean play, and no deliberate attempts were made to drive the ball over the touch line. The game ended in a victory for the Guards by 2 goals to nil.

The players were:—

GUARDS—Goal, Joyce; backs, N. Halfyard, N. Ellis; halves, W. Halfyard, J. Tizzard, J. Parsons; forwards,

F. Meadus, Dick Quick, V. Rose, W. Macklin, B. Rooney.

STAR—Goal, W. Power; backs, B. Hart, J. Squires; halves, W. Hart, W. James, P. Flynn; forwards, J. Meany, R. Moakler, W. Finn, G. Kearney, J. Reardigan.

Notes On The Game.

The Star team is an improved one over last year, and when the younger players gain a little more experience they will be hard to beat. The veterans, "Barney" and "Bill" Hart played as good as ever.

Nelson Halfyard, formerly of Grand Falls, made a good substitute for Thistle, right back position. The only other change in the Guards line-up, was Tizzard, who turned in a good game centre-half.

The Guards have a well balanced team and, with practice, should be able to uphold their previous laurels. Mr. Coultas, who made his debut as a referee, controlled the game to the entire satisfaction of all.

On Thursday night the C.L.B. and Cadets will compete.

INTER-COLLEGIATE RUGBY.

In the first rugby match of the season, played between the Pelidians and Collegians, the Bishop Field College 15 were victorious by 10 points to 8.

ST. BON'S SPORTS.

St. Bon's Campus presented a animated scene yesterday evening when the pupils were seen taking part in the preliminary heats in connection with the sports which take place tomorrow at 2.30 p.m. The "maze," which is always a feature on sports day, contains additional new formations and the exhibition promises to be the best yet. The racing events will be closely contested and the usual drills under the conductorship of Capt. O'Grady will show to the parents and friends what is being done for the physical development of the students. Judging from the close contests in the preliminaries the sports promises to be better than ever while the Senior League football fives will have their best representatives to compete for the gold medals which will be awarded at the finish of the final game. Should the evening prove fine a record attendance is anticipated. The Mount Cashel Band will be in full strength and will give choice selections during the evening.

FOOTBALL FIVES.

At St. Bon's Campus last night, two games of football fives were played in connection with the college sports day. The Pelidians defeated the C.B.I. in the first game, while the Cadets were victorious over the C.L.B. in the second. To-night the Saints and Star, and B.I.S. and Guards will try conclusions.

JUNIOR LEAGUE OPENING.

The opening football game of the Junior League takes place on St. George's Field at 7.30 to-night. The contesting teams will be the B.I.S. and Cochrane Street Church Young Men's Club. Referee Coultas will be in charge. The C. Y. M. C. have a classy aggregation of players, and their supporters already feel confident of the result. A large attendance is expected to witness the Junior League opening. Messrs. Higgins and Hunt will declare the season open by kicking off the ball.

B.I.S. ELECTS OFFICERS.

A meeting of the B. I. S. Junior Football team was held last night, when the officers for the year were appointed as follows:—
Captain—H. Buckingham.
Vice Captain—T. Manning.
Secty.—Treas.—G. B. Galway.
League Delegate—R. J. Kent.
The B. I. S. team will be a good one, and they hope to make a strong bid for championship honors.
