McClary, that the town engineer be and is heroby authorised, in conjunction with the reeves of Westminster, to take the necessary steps to secure Wellington bridge—Carried.

Mr. Barker gave notice that he would, at the next meeting of the Council, bring forward a resolution pledging this Council to take stock to the amount of £2000, or such other sum as the Town Council may see for new Mess Pork better, and more demand, are requested at least to examine this. The terms of Norwich. They consist of Grist and See, closing dail and heavy. Corn opened firmer, with good demand for home and export. Sales, Flouring Mill, with three run of Stonos, with country and Merchant's Bolts, Saw Mill and Clothing Works, driven by the Otter Creek. If desired, 600 acres adjoining the Village would be sold at the same time. A Plank Road runs from the Village to Port Dover. Persons in quest of such a property of the requirement of the council to take stock to the amount of £2000, or such other sum as the Town Council may see he Proof Line Road leading to this town. On motion the Council adjourned.

RESCUE. - Last week the troup of laborers engaged on the Great Western Railroad e a most effectual display of their defiance to the laws. It appears that four of our City Police were sent out to Copetown, the head-quarters of those working on the road, to ar-rest one of the party on a charge of assault, 16s; Fine, 13s; Fine Middlings, 12s. Police were sent out to Copetown, the head-&c. : having secured their man, they were fellow laborers, and ordered to deliver up the prisoner. The announcement of "deliver own lives. We understand that a more formidable posse was to be sent out yesterday to
re-arrest the "escaped one," and also some of
the leaders of the gang of rescuers—several
ges, of Toronto, to Miss Rosalie Hill only daught-

DEATH OF A CENTENARIAN. -Thomas Johnson, seaman, aged about 100 years, died at the Town of London, on Saturday, the 22nd day Naval Asylum, on Saturday last. This old of November, next, at noon. tar is believed to have been the last survivor of the gallant crew who so well, sustained Paul Jones in his desperate conflict with the Scrapisin 1779. He was buried on Tuesday, in the cemetery of the Asylum.—Phi-ladelphia Bulletin.

FIRE NEAR MOUNTPLEASANT. - We regret to learn that Andrew Cook, Eso, who resides near to the village of Mount Pleasant, met with a serious loss on the night of Sunday ving a large and commodious barn, a large quantity of wheat, the yield of 25 acres, and twenty tons of hay, totally consumed by fire. The Wheat and hay were placed in the barn, and ere tidings of this sad affair was rightly known by the neighbours living about, the devouring element had so far accomplished its work of destruction, as to render all assistance unavailable, when they did arrive .all they could do, was to witness the proper ty censume away. It is strongly suspected that it is the wanton and malicious act of some demon or demons in human shape to ininjure Mr. Cook. We are surprised at this, as Mr. Cook has always, borne the character or being a quite inoffensive person, and an ex-cellent neighbour. We sincerely trust that the perpetrators may be fercited out, and severely unished. A Mr. Alfred Sturges, of Mount Pleasant, has been arrested on suspicion, and this Town, and we are informed that the ev dence adduced at the examination was suffi-CURE FOR THE HEAVES.

with heaves all of last winter, and I had given up his case as hopeless, until some time in march, when I tried the following recipes : -I gave the horse a handful of fine salt di solved in a bucket of water, for three or four quarter of a pound of blue stone into ten doses and gave him one powder or dose every morning, on a half peck of wetted wheat bran, and fed the horse but little else during the experiment, but some moistened Hay. is now apparently as sound in wind as he ever since; is free from cough, and can stand

ship of East Oxford, on the body of a man named Asa Davis, who died from the effect of a slight wound in the foot. The deceased had been attended by an unlicensed practioner of the name of Scott, but when the case consisting of a Grist and Flouring Mill, with two appeared almost hopeless, Dr. Turquand a ruu of Burr Stones, and a Saw Mill with two Saws, regular Physician, was called in though too now sawing over 10,000 feet per day, driven by a late to be of any service. Reports injurious to Dr. Turquand were circulated, in consequence of the man's death, and an inquest deman's death, and an inques manded, when it was proved that the quack River St. Clair, with good wharfage for the largest treatment of Mr. Scott had been most ineffec-
